Robin Freeman

So a really swell  
gal. Lots of fun  
to go to a  
girl. Robin

Dear Robin

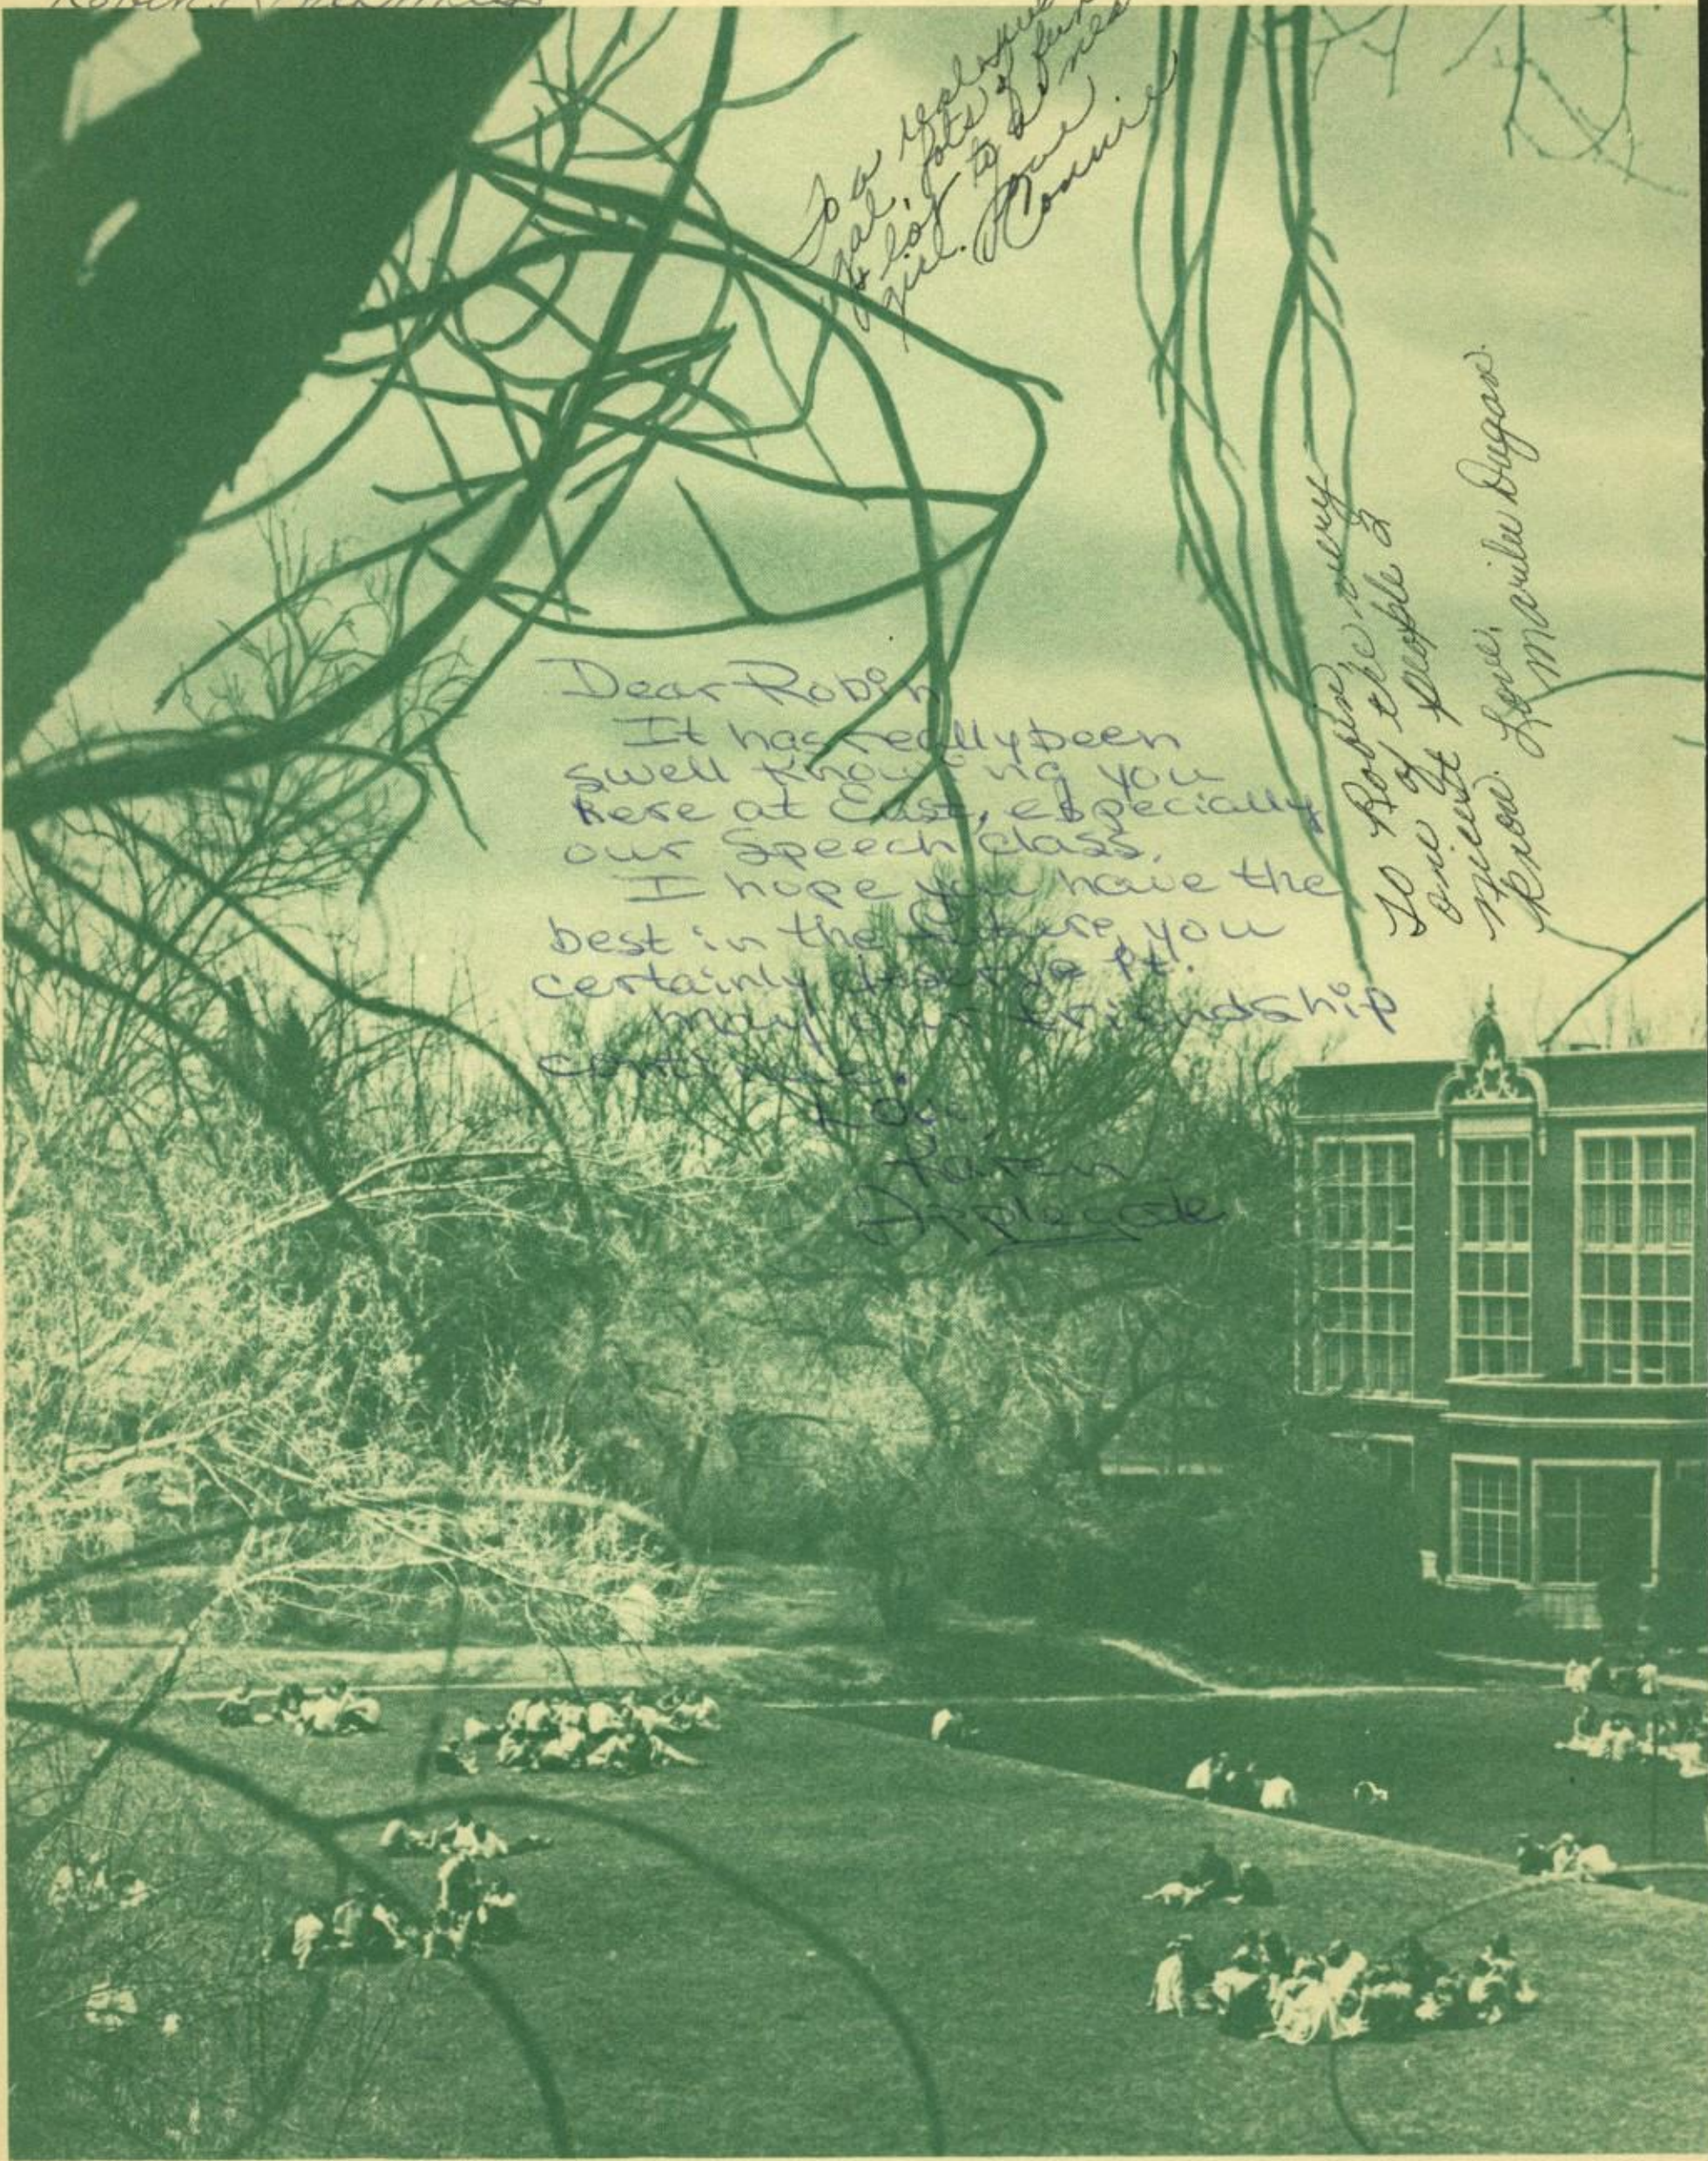

It has really been  
swell knowing you  
here at East, especially  
our Speech class.

I hope you have the  
best in the future you  
certainly deserve it.  
May our friendship  
continue.

Dear Robin,  
We've been friends  
for some time, but  
I've gotten to know  
you better in the  
last year and hope  
in the following  
year our friendship  
will grow to a closer  
Best of luck always

Robin,  
"To the queen of the  
pegmies." Really,  
I've enjoyed being in  
class with you,  
and I wish you  
all the luck in  
the world. You have  
a terrific personality  
and sense of humor.  
Love, Lois Knowles

Dear Robin,  
One swell girl who I  
will never forget. I will  
always remember the  
discussions we had in  
study hall last semester.  
I hope next year we  
will get to know each  
other even better —  
you with Page 3 and  
me with 8  
Best always

Dear Robin,  
Here's wishing loads  
of luck and happiness  
to a great gal. It's been  
fun doubling all this year.  
Just stay as sweet as you  
are and you'll go far.

Love  
Bobbie

Dear Robin,  
We've had a lot of fun  
in our classes and I've  
really enjoyed knowing  
you.  
Lots of luck, too!  
Have fun in N.Y. and be  
a good girl.

Robin -  
We have become real  
good friends this last  
year and I know  
we will become even  
better friends next  
year. You are an  
awfully sweet girl,  
and you always  
have a sweet word  
for everyone. Always  
stay that way and  
you'll be a success  
at whatever you do.

Robin,  
 there are some  
 terrific things said about  
 you in this book and  
 since they are all  
 true I can't  
 say anything  
 to flatter you but  
 I can wish you  
 the best  
 Sincerely,  
 John Lamb

Dear Robin,

(To the girl that has become an expert  
 at smoking Filtered Cigaretts.) Sincerely,  
 I have known you for a long time and  
 have found you to be a great kid.  
 From the time I was an itchy little kid  
 who went to your father till now I have  
 enjoyed your friendship.

Dear Robin -

This is a mighty small space to fit in all the things I want to say - but here goes.

Last year in my Angelus you wrote that if I hadn't moved here from "of Old Salt Lake", we would have never become friends. Thinking this over, I'm even more thankful for your sincere friendship than I would have been having lived here all my life.

Not only can we look back on a million and one laughable (and sometimes sad) events, but we can also look forward to even more! If possible, we will become even closer friends than now through Sea and Spotlight.

There's no use trying to tell you how much I think of you, because words would only seem weak and affected. But I think you know, simply by the way I confide in you over every little thing, how much I trust and cherish your friendship.

I hope you never change, Robin, in your many wonderful

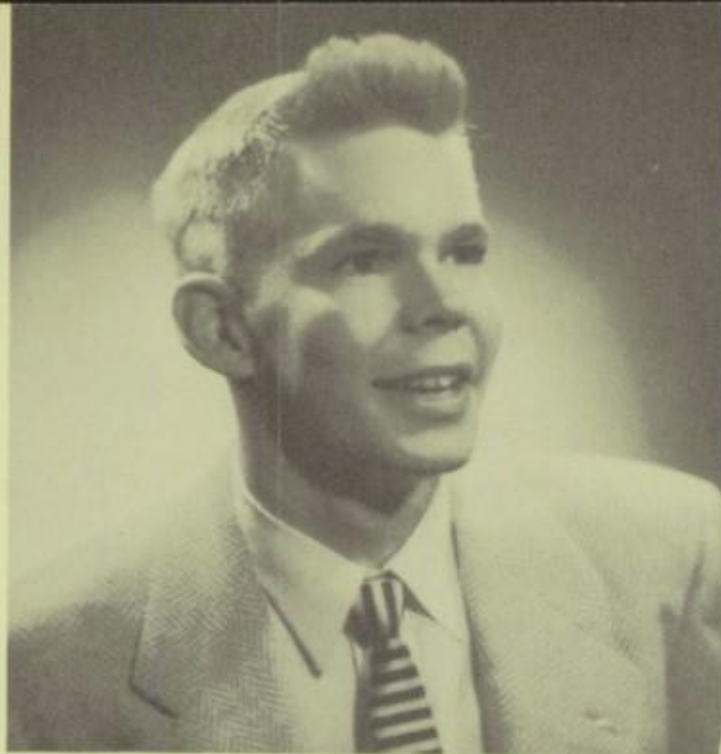

The destiny of our nation depends on the youth portrayed in this section. East High not only affords each individual the opportunity for an improved way of life, but also lays the foundation for the actual practice of democratic principles.

For the seniors a future of uncertainty awaits. With their graduation a portion of the time of their lives has been brought to a close. The juniors have their senior year before them, and are eager to assume the responsibilities as well as to enjoy the pleasures attendant upon that class. The sophomores, on the threshold of their junior year, look forward with enthusiasm to the pleasures of upperclassmen.

Together the youth depicted in this section are, in the years of high school, adding a link to the chain which composes the time of their lives.

ways. And always think of me as -  
your truest & most sincere pal  
Georgia

## Seniors Look Back on the Time of Their Lives.

The time of our life—when the foundation for success and happiness in future years was formulated—these past three years will long be remembered.

The sophomore year started off actively with Neal Blue as president, and ended victoriously with the winning of first place for the best skit and float on Red and White day.

Larry Atler led the class through a profitable junior year. The interest and cooperation of the class was shown when more than five hundred bids were sold to the Junior Prom held at the Shirley-Savoy hotel. The dance was a tremendous success.

Enthusiasm was the keynote of the senior year. Bill Kugler inspired the class to work together as well as individually. Some of the events the class sponsored were: the Senior Barn Dance, the Senior Class play, the Senior Prom, Arbor day and Red and White day.

The class of '53 will continue to look at life with enthusiasm and optimism after graduation.

Left to right: Bill Kugler, *president*; Don Montony, *vice president*; Priscilla Stone, *secretary*; Sue Wafer, *treasurer*.

MISS ELIZABETH WOOD  
*Sponsor*

The class of 1953 would like to thank Miss Wood and Mr. Anderson for their efforts during the past three years. We appreciate the support they have given us in all our undertakings. They have worked side by side with us and have endeavored in every way to make our class the very best. They have been more than sponsors, they have been real friends!

Mrs. Moore congratulates DAR award candidates.

Top row, left to right: Pete LaChapelle, *president*; Terry Beck, *vice president*; Marty Glass, *secretary*; Bev Woodend, *treasurer*. Bottom row: Mr. Merlin Arbogast, *sponsor*; Mrs. Pauline Cleaver, *sponsor*.

On behalf of the class of '54, I would like to extend our vote of thanks to Mrs. Cleaver and Mr. Arbogast for the wonderful job they have done in sponsoring our class. Through their leadership and hard work, our class has been outstanding.

Peter H. LaChapelle

## Prom Highlights Junior Activities

In the future, this year's juniors will remember the good times they had as they reached the half-way mark of their high school life.

With Pete LaChapelle as president and under the sponsorship of Mrs. Pauline Cleaver and Mr. Merlin Arbogast, the class of '54 participated with a great deal of cooperation in all school activities.

The highlight of the year's social events for the class was the Junior Prom. Held outside school last year for the first time, this year's prom was brought back to school where all future Junior Proms will be held. "Winter Wonderland" was selected for the theme, and Miss Carolyn Reese was chosen to reign as queen.

As a climax to their activities for the year, the juniors took an active part in the annual Red and White Day festivities.

Welcome sophomores.

Must've been our team

These are our boys

Staff says "Howdy"

Now who do you s'pose this is?

Top row, left to right: Don Schwayder, president; John Edgar, vice president; Polly Otey, secretary; Val Freshman, treasurer. Bottom row: Mr. Lawrence Garrett, sponsor; Miss Alice Wolter, sponsor.

To Mr. Garrett and Miss Wolter goes the thanks of every member of the sophomore class. Because of their guidance and encouragement, we have had a highly successful year as sophomores and under their leadership the class of '55 will continue to uphold the standards and traditions of this great school.

## Sophomore Class Initiates New Idea

This year's sophomore class, with Don Shwayder as president and sponsored by Miss Alice Wolter and Mr. Lawrence Garrett, inaugurated a new idea—that of selling Sophomore activity tickets which covered the Sophomore class party and any expenses incurred by Red and White Day participation. Eighty per cent of the class purchased the tickets.

Dependability and good judgment are qualities which have been shown by the class members in all of their undertakings. For future leadership East may depend upon the class of '55.

## Student Council Efforts Bring

Two representative bodies govern East high school. One of these groups, the student council, consisting of five sophomores, seven juniors and thirteen seniors, meets every day during first hour. Mrs. Violet McCarthy, sponsor; Carolyn Evans, head girl; and Jerry Brown, head boy; guide the council in its activities.

Working closely with the principal and the faculty, council members contribute suggestions and help make important decisions throughout the school year.

## Effective Results for East

Hours of time are spent by the council in sponsoring such events as: the Community Chest drive, Crusade For Freedom drive, Howdy Day, Sweetheart dance, Red and White Day dance, and the 10-B orientation.

East high is very proud of its student council because of the leadership it has taken in student government throughout Denver and the United States.

## News of the Month Is Reported by Spotlight

A well-informed and active *Spotlight* staff brought to the Angels of East another year of complete coverage of school news. Through fiery columns and booming editorials, policies were defended, opinions made public and causes supported.

Because the *Spotlight* contains no advertising, the only means of finance comes through circulation. The thirty staff members published special editions throughout the season to further the sale of the newspaper.

Every three weeks approximately nineteen hundred papers are printed for consumption by East students. For special editions more are printed, and the 100 per cent sale promoted by the Pre-Law club usually demands twenty-five hundred issues.

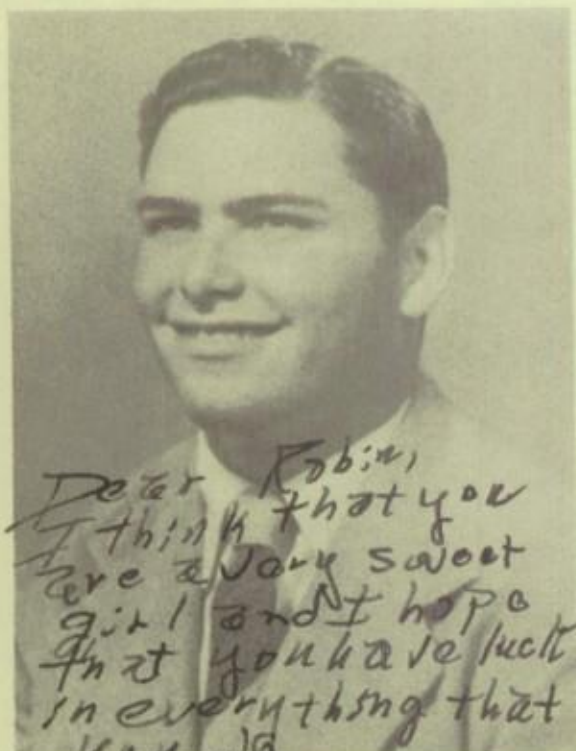

A humorous side was added to the lives of Angels in the feature department this year. A clever campaign was waged by the *Spotlight* in supporting Pogo for president. "I Go Pogo" buttons given away with each *Spotlight* carried this comic strip character to fame.

The time and effort spent on this publication by a first-class staff has resulted in an All-American newspaper, the *Spotlight*.

## Angelus Records the "Time of Your Life"

Time passes unseen; perhaps it is for this reason that a yearbook is produced. In the pages of this book the Angelus staff has captured glimpses of time in action and set them down where they may be seen, relived and remembered.

The year 1953 marks the 35th anniversary of Angelus publication. Like East High's student body, the book has increased in size each year. The '52 Angelus was an indication of the increase in quality also. The book was given an All-American honor rating by the National Scholastic Press Association.

No yearbook can be published without a lively and active group of people as subject material. The Angelus staff takes pride in its pictures and articles portraying the athletes, scholars, speakers, leaders and followers of this student body, larger in population than many towns.

Another year has drawn to a close; the Angelus is at last complete. The highest hope of all concerned is that it may once again be worthy of the coveted All-American rating.

May this Angelus always remind you of the "Time of Your Life" at East high school. Members of the staff have had the time of their lives producing it.

## Delegate Assembly Represents You

The second house of East high's student government, the delegate assembly, is composed of representatives from each first hour class. Meetings are held before school whenever pressing situations demand the attention and advice of the student body. Delegate assembly members report agenda to their classes. Classes, in turn, direct suggestions to the assembly through their representatives.

Lunch problems, school policies and arising difficulties are handled by this body; drives, sales and the Red and White day program are sponsored by it.

Two sophomores, two juniors and two seniors are elected at the first of each semester from the delegate assembly to membership on the principal's advisory council. Assembly and student council officers complete this group. Mr. Ehrenkrook can depend upon the sound ideas and logical viewpoints of principal advisory council members whenever he feels the need for student suggestions.

## Senior Girls Receive Awards

Near the end of the school year it is traditional for senior girls to meet and choose from their classmates of the last three years the people who in their minds have best exemplified the traits of friendliness, poise, cheerfulness, sense of humor, courtesy, dependability, sportsmanship, service, and loyalty. Also chosen is the one girl who is considered most outstanding by her classmates.

The presentation of these awards is an outstanding event in the senior year; to receive one is a high honor.

## Assemblies Are Better Than Ever

Assemblies have several meanings to East's students. They are a source of enjoyment, a form of education, and a means of escape from ten minutes of each morning class. Held third hour on different days throughout each semester, they covered a variety of subjects this year.

Students participated in and produced several fine assemblies. Noted musicians, dancers and other groups were invited to perform for the student body.

At any time of the year, week or month, East students love an assembly.

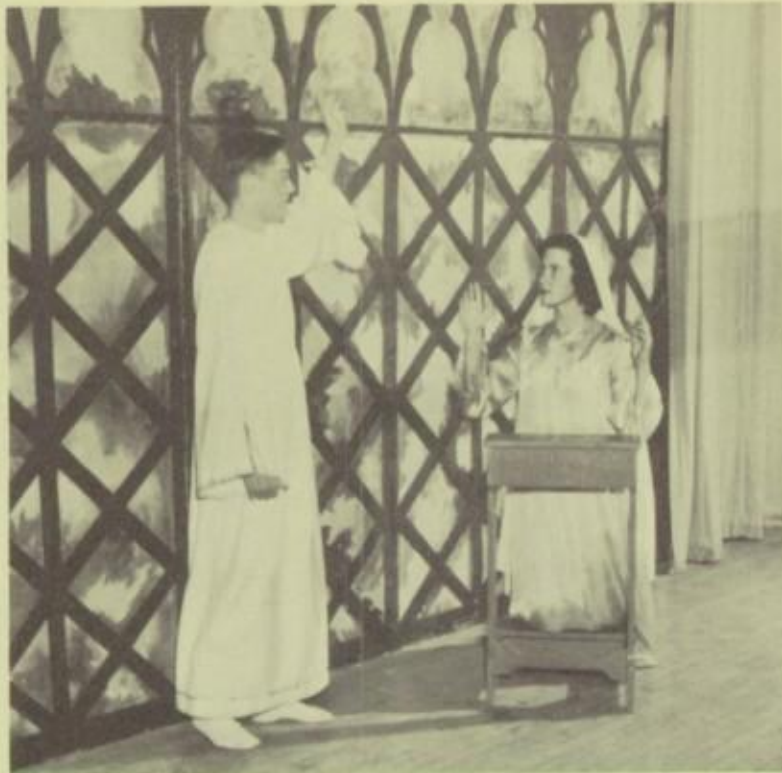

Sophomores get acquainted at Howdy Day assemblies. Drama club presents "Lo and Behold."

Varied selections are sung by Colorado University choir.

Don Bain and Dorothy May depict Gabriel and Mary.

Al Waxman, Myron Capito, Bob Eaton and Stan Ginsburg portray a scene from the Christmas story.

## Pageant Heralds Yule Season

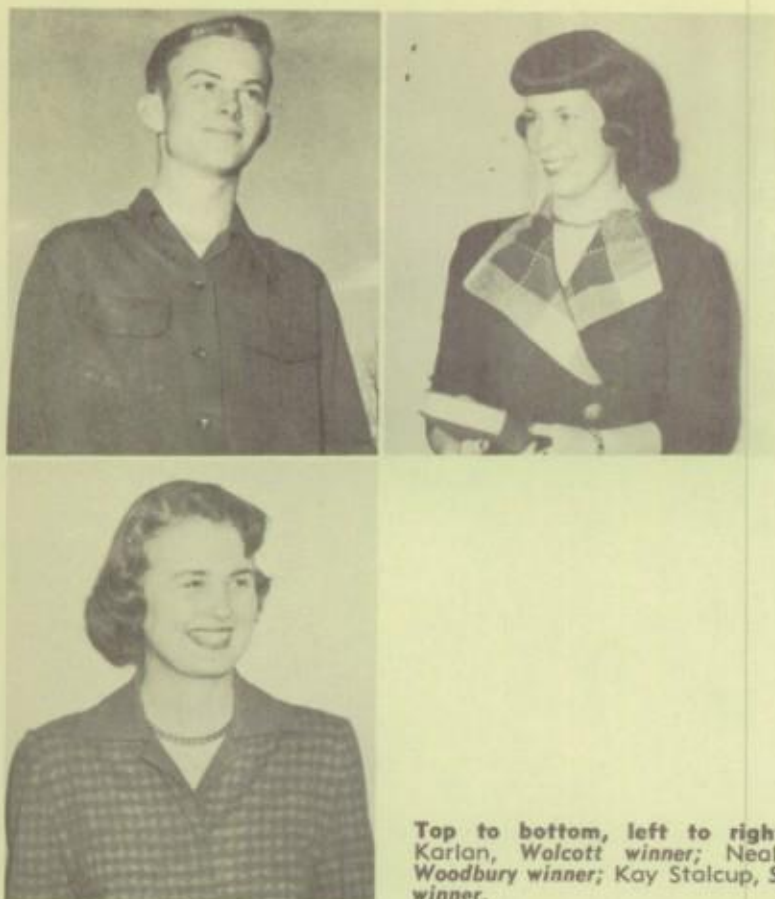

The theme for the traditional Christmas pageant, written and directed by Mrs. Genevieve Kreiner, was "The Lord Is With Thee." The musical numbers were sung by Mrs. Violet McCarthy and the A Cappella choir under the direction of Miss Fareeda Moorhead and were accompanied by Mr. Eugene Schaefer.

Alternating as the girl narrators were Kay Stalcup, Mary Pietsch and Kay Karlan. The boy narrators were Neal Blue and Bob Hamilton. The remaining cast included: Dorothy May, Shirley Stephenson, Joe Blake, Norman Augustine, Kit Cowperthwaite, Myron Capito, Don Bain, Jerry Chambers, Steve Susman, Elwin Berger, Sheldon Pringle, Dick Lindseth, Bob Eaton, Al Waxman, Stan Ginsburg, Sarah Pietsch, Jane Counts, Susie Schiff and Darlene Groussman.

## Students Excel in Speech Contests

Many students at East are talented in speaking ability. The school offers several speaking contests and excellent competition for these pupils throughout the year. The first event held each fall is the Woodbury Oratorical Contest for boys. Each contestant chooses a speech which he memorizes to perfection and recites. The winner this year was Neal Blue, who orated "In Defense of His Son" by Hugo.

One of the most difficult and exciting contests, held in January, was the Shafroth Ex-temporaneous Speaking Contest in which a boy and a girl from each of the five Denver public high schools participate. One hour before the program the contestants are given topics on which to prepare their speeches. Kay Stalcup and Craig Bowers represented East in the final contest. Kay Stalcup and Joe Pickle from South high were the victorious Shafroth winners.

The Wolcott Sight Reading Contest for girls closed another year of successful speaking.

**WOODBURY CONTESTANTS**, left to right: John Lamb, Myron Capito, Stuart Gottesfeld, Neal Blue, winner; Don Bain, Gary Spitzer, Bob Hamilton.

## 'What a Life' Is Presented by Senior Class

What a life was the theme for the annual Sr. class play directed by Mrs. Genevieve Kriener. The play was a take off on the life of Henry Aldrich. Henry's joys and mischievous experiences accurately portrayed any young boy's high school days.

Members of the cast included Allan Waxman as Henry, Dorothy May, Myron Capito, Lee Spencer, Janie Counts, Bill Kugler, Dana Thomas, Kay Karlan, Monte Pascoe, Judy Silver, Pat Peregrine, Jerry Chambers, Sunny Jones, Stan Ginsburg, Susie Schiff, Paul Hannon, Jerry Brown, Bruce Anderson, Bob Eaton, Sharon Wood, Mary Pietsch.

## Angels Are Ready for Red and White Day

The Angels rehearsed and planned to make Red and White Day a huge success, as all looked forward to the day's events.

Competition in the tug of war, skits, and parade, the crowning of the May Queen, the city track meet, and the dance sponsored by the Student Council will combine to make "East Side of Heaven" a time never to be forgotten.

## Dudes Do-Si-Do at Senior Round-up

The feelin' of the Wild West was in the air, as cowpokes swung their podners to the toe-tapping rhythms of Arden Pearl and his String of Pearls at the Senior Round-up. The fixin's for the shindig were saddles, spurs, and even a lifelike wooden hoss in a corral.

The gang's all here in western duds.

## Seraph Sisters Present Autumn Nocturne

Angels danced amid vivid fall decorations at Autumn Nocturne, presented annually by the Seraph Sisters. The autumn theme also appeared in the yellow bids imprinted with a brown leaf. All were gay as they swayed to the music of Al Tomlin's band.

They're having the time of their lives.

This picturesque backdrop decorated the bandstand.

## Angels Crown Queen at Homecoming

At the Homecoming dance sponsored by the *Spotlight*, East's football team was honored and many grads of East were seen enjoying the music of Don Bain and his band. The Homecoming Queen, chosen by student vote, was Rusty Nichols who was escorted by Ray Carlsen.

We wish you all a Merry Christmas.

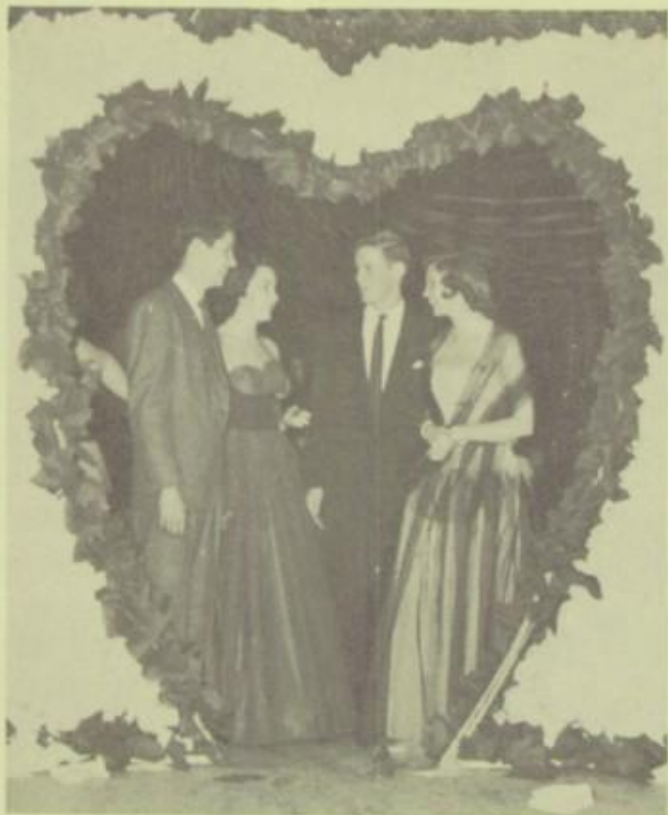

Where is Santa Claus?

## Merry Angels Swing at Christmas Tree Dance

A brightly ornamented tree in the front hall was the center of activity at the annual Christmas Tree dance. Excited students laughed, danced and talked with thoughts of happy times that lay ahead during vacation. Arden Pearl and his String of Pearls filled the hall with cheerful music.

Through this doorway stroll the sweethearts of East.

## Class of '55

### Entertains at Soph Party

The class of '55 presented its first social function, the Soph Spring Swing, in March. The party started with a talent show and skit. The background for the talent show was a summer resort, and the skit was an amusing take-off on a Shakespearean drama. After the entertainment a dance was held in the boys' gym with music by Jack Young, Jerry Houser, Roy Pritts and Roger Alliman. Cooling refreshments made the evening complete.

Sophs re-enact a scene from Shakespeare.

Queen Mary Zoe Blackledge and King Bill Kugler watch the festivities from their throne.

## East's Royalty

### Reigns at Sweetheart Dance

Cupid once again appeared in every heart at the Sweetheart dance, presented by the Student Council. Couples waltzed to the music of Arden Pearl and his String of Pearls in the Valentine-decorated gym. The Queen and King of Hearts, Mary Zoe Blackledge and Bill Kugler, reigned from a heart-shaped throne.

Bev Peltz sings for the audience of gay sophomores.

Dancing just seems to tire some people.

And now comes the intermission.

Queen Carolyn Reese and her escort, John Hodgson, take time out for a dance.

## Junior Prom Is Set In Winter Wonderland

Couples at the Junior Prom danced in a Winter Wonderland to the music of Milton Shrednik's orchestra. The Juniors transformed the gym into a wintry scene with sparkling snowflakes and a magnificent tree. The highlight of the evening was the crowning of Queen Carolyn Reese.

# Curriculum

Throughout the year, time is the contributing element which gives perfection to all school curriculum.

Each member of the faculty devotes his time both within and outside of the classroom to the advancement of the individual in his studies and activities.

Time spent now in the military training of the Reserve Officers Training Corps is today's insurance for tomorrow's dividend.

To the musician, time is the essential factor which contributes to his future achievement.

All the time spent in each field combines to give each individual preparation for the future and forms a part of the time of their lives.

## Curriculum Candidids

Most of a student's time is spent in classrooms learning the how, why and what of modern day science or studying history through the years. A student may choose from the many courses offered subjects that will enable him to better prepare for the future.

For the businessman or woman of tomorrow, the vocational department offers courses in business education, home economics and industrial arts.

A student interested in music may take fine instruction in training band, concert orchestra, or concert band. For the vocalists, there are boys' and girls' glee, beginning and advanced A cappella.

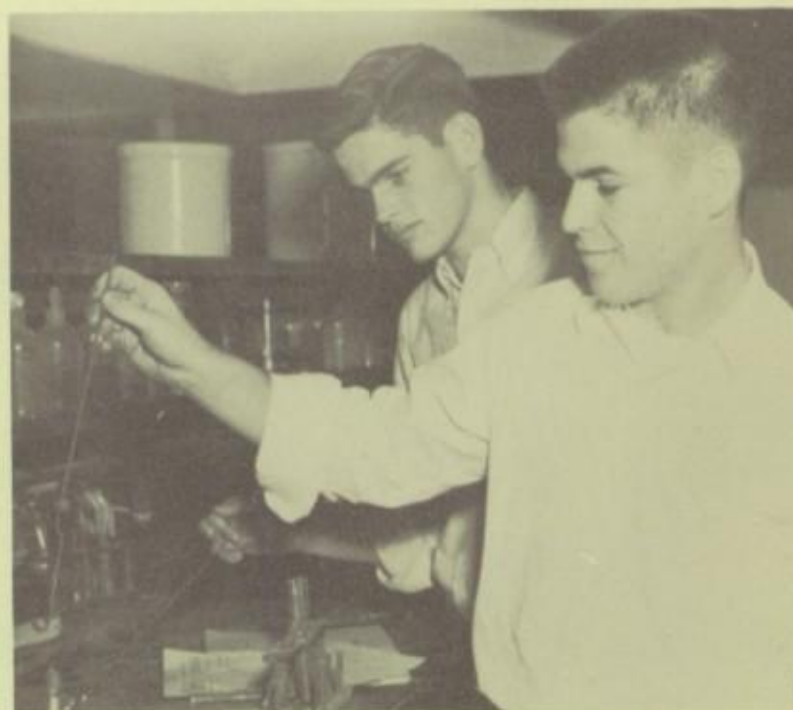

If anyone is intrigued by some phase of art, the art department has a large assortment of courses to offer: commercial art, drawing and painting, clay modeling, creative art, and fashion drawing.

Hand made pottery is fashioned in ceramics.

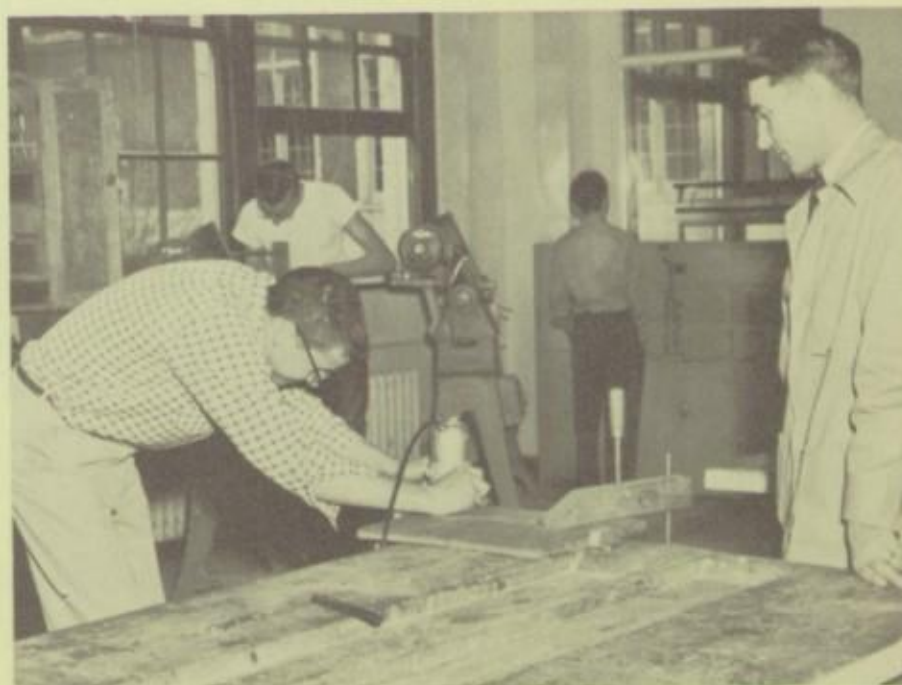

Terry and Jerry learn leathercrafts.

Reggie and Dick wait expectantly.

Mr. Wickard instructs Verle.

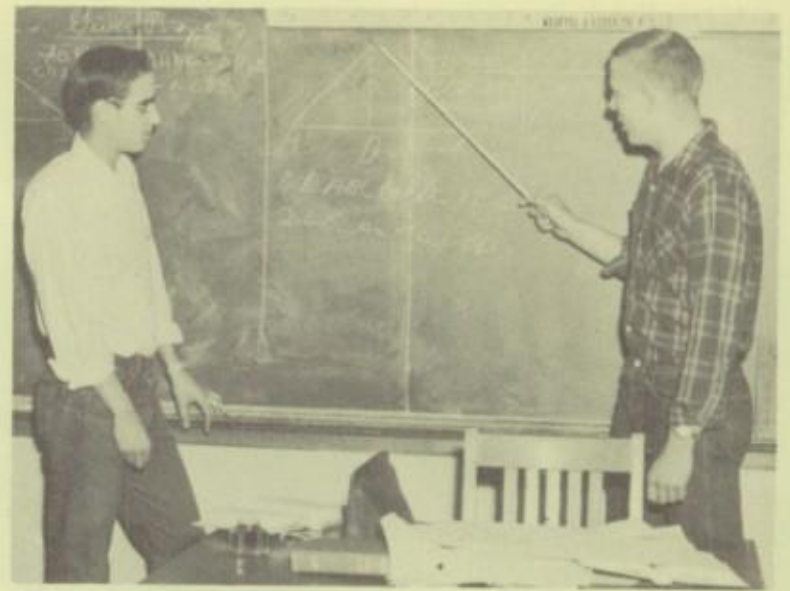

Give your name, address, and phone number!

Class will come to order.

Where's East?

Therefore angle ACB—Bill teaches Al.

## English, Social Science, and Language Courses

The ability to write, read, speak and understand English opens new fields to the mind and to the personality. Vital English can be studied in composition, literature, journalism and speech classes.

History repeats itself. Ancient, medieval, American and modern European history point out the customs and cultures which have formed our civilization. Sociology and psychology are two other basic social science courses offered at East. Boys' and girls' social problems conclude the list of subjects in this field.

When one studies a foreign language he also studies the background and heritage of a country. The Latin, French, German and Spanish classes include history with linguistic knowledge.

Chuck earns an A at last!

Smiling students sew new skirts.

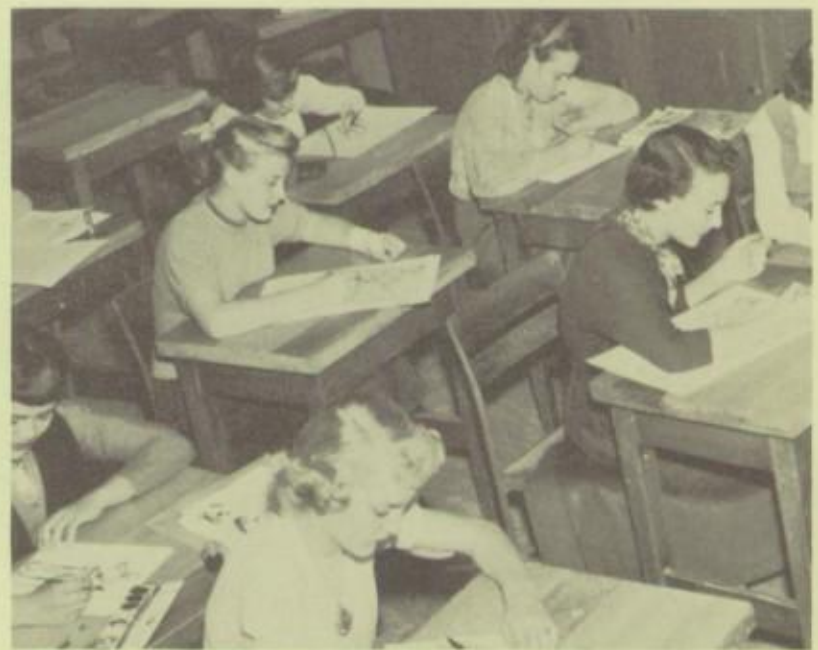

Bill works with patience.

## Math and Science Courses

Math and science are two very closely related and important subjects. In the student's study of mathematics he learns reasoning through thinking and practical application of this subject. Courses offered at East range from general math to math analysis and include algebra, plane and solid geometry and trigonometry.

A science course provides a student with knowledge of the ever-changing modern world. Through his participation in experiments, the student is able to grasp a better understanding of the science course. Science courses offered at East are physics, biology, chemistry, astronomy and geology.

Girls design for the future.

You forgot the vanilla!

## Now Is the Time for All Good Men to Come to the Aid of Their School

The students who give teachers assistance in classes are essential and vital in helping East to function smoothly. Those Angels who volunteer their services are given one-fourth class credit per semester; the majority of the girl assistants are fulfilling Seraph Sister duties.

Equally as important as these helping Angels are the custodians and cafeteria employees. The custodians keep our school shining and spotless; the cafeteria workers provide fine lunches for all who desire them.

Both the students and the employees perform constant services for the convenience of others, and both are indispensable to East.

## Praises Ring for Concert Band

An important musical service is given East by members of the Concert band. There is nothing like the music and rhythm of this group to increase the tempo of school spirit at sports events.

Being very versatile, the Concert band also affords entertainment at regular performances at East and the various junior high schools. The concerts presented by the East music department are among the most important events on the busy agenda of the Concert band.

## Music by Concert Orchestra Is Superb

The Concert orchestra, a hard-working group, spends one class period each day preparing excellent selections for the enjoyment of others. The musically talented Angels in this orchestra perform in assemblies at East and other schools. Each year performances, which are open to the public, are presented by this widely appreciated and well-known Concert orchestra of East high.

## ROTC Training Valuable

Reserved Officers Training Corps prepares East high boys for future service in their community, state and country. In the current world situation it is becoming increasingly important for young men to be educated in military skills. The boys receive excellent military preparation at East.

If the course is taken for three full years in high school, exemption from one year of training in college is granted.

The government supplies all text books, uniforms, rifles and practical equipment. This enables the instructors to do a complete and thorough job of training.

The army supplies ROTC instructors to every high school in Denver, and to the major public high schools all over the country. The instructors are well-trained military personnel.

## ROTC Has Busy Year

A high school ROTC unit is known as a battalion. A battalion consists of five companies, and each company contains three platoons.

The boys in the East high school companies sponsor an officers' dinner, represent East in parades and help promote the annual Military Ball.

Girl honorary officers are chosen by the battalion on the basis of grades, typing ability and personality. These girls help the ROTC with clerical work.

The boys have many facilities, including a twelve point rifle range. All the boys have an opportunity to use this range during the school year and to earn National Rifle Association medals.

Dear Robin,

I can't express in words how much I think of you. You are about the greatest girl I have ever met. You have all the wonderful qualities I could ever want. And you as far as looks you are so cute and really have a perfect figure. You have really been a great friend.

## Royalty

I can't thank you enough for all you have done for me. I hope our friendship

may continue for a long time to come. Best of luck for the future as you are really one who deserves it.

Love,

Dear Robin

Well dear we've really become close friends (again) this year and we've had great times together. I know our great times will continue this summer and in the years to come.

I want to wish you the best of luck in everything. I hope we'll be together at Wellsley, Goucher or somewhere.

Love

Ellen

As the clock strikes eleven an everyday world is transformed into a kingdom. The orchestra brings to a crescendo the heavenly tunes that have animated dancing couples. A hush falls softly over the room. Excitement tingles in the air; nothing can capture the atmosphere and appearance of the crowd as the awaited moment arrives — the crowning of the queen.

On the following pages you will gaze at East's royalty. Miss Barbara Ann Scott and Mr. Michael Kirby, attractive Olympic skating stars, selected the Angelus King and Queen. Our thanks to Miss Scott and Mr. Kirby and our congratulations to you — you, too, have shown good taste in your choices. You have placed the crowns upon the heads of the queens; you have watched their happiness; you have shared in the excitement at some of East's biggest dances. May the following pictures recall the part of your life spent in the kingdom of formals, tuxedos and music.

The time of your life is enhanced through the club activities at East.

In the clubs new friends are made, ideas exchanged and lectures, parties and friendly gatherings planned to bring about an enjoyment of working together and a companionship not otherwise obtained. An important and necessary part of any school routine is the extra-curricular activities in which the students engage.

East's great selection of clubs fills to the top her cup of diversion. They provide a meeting place for people with similar interests, and they furnish fun and relaxation.

## Inter-Club Council Encourages Club Projects

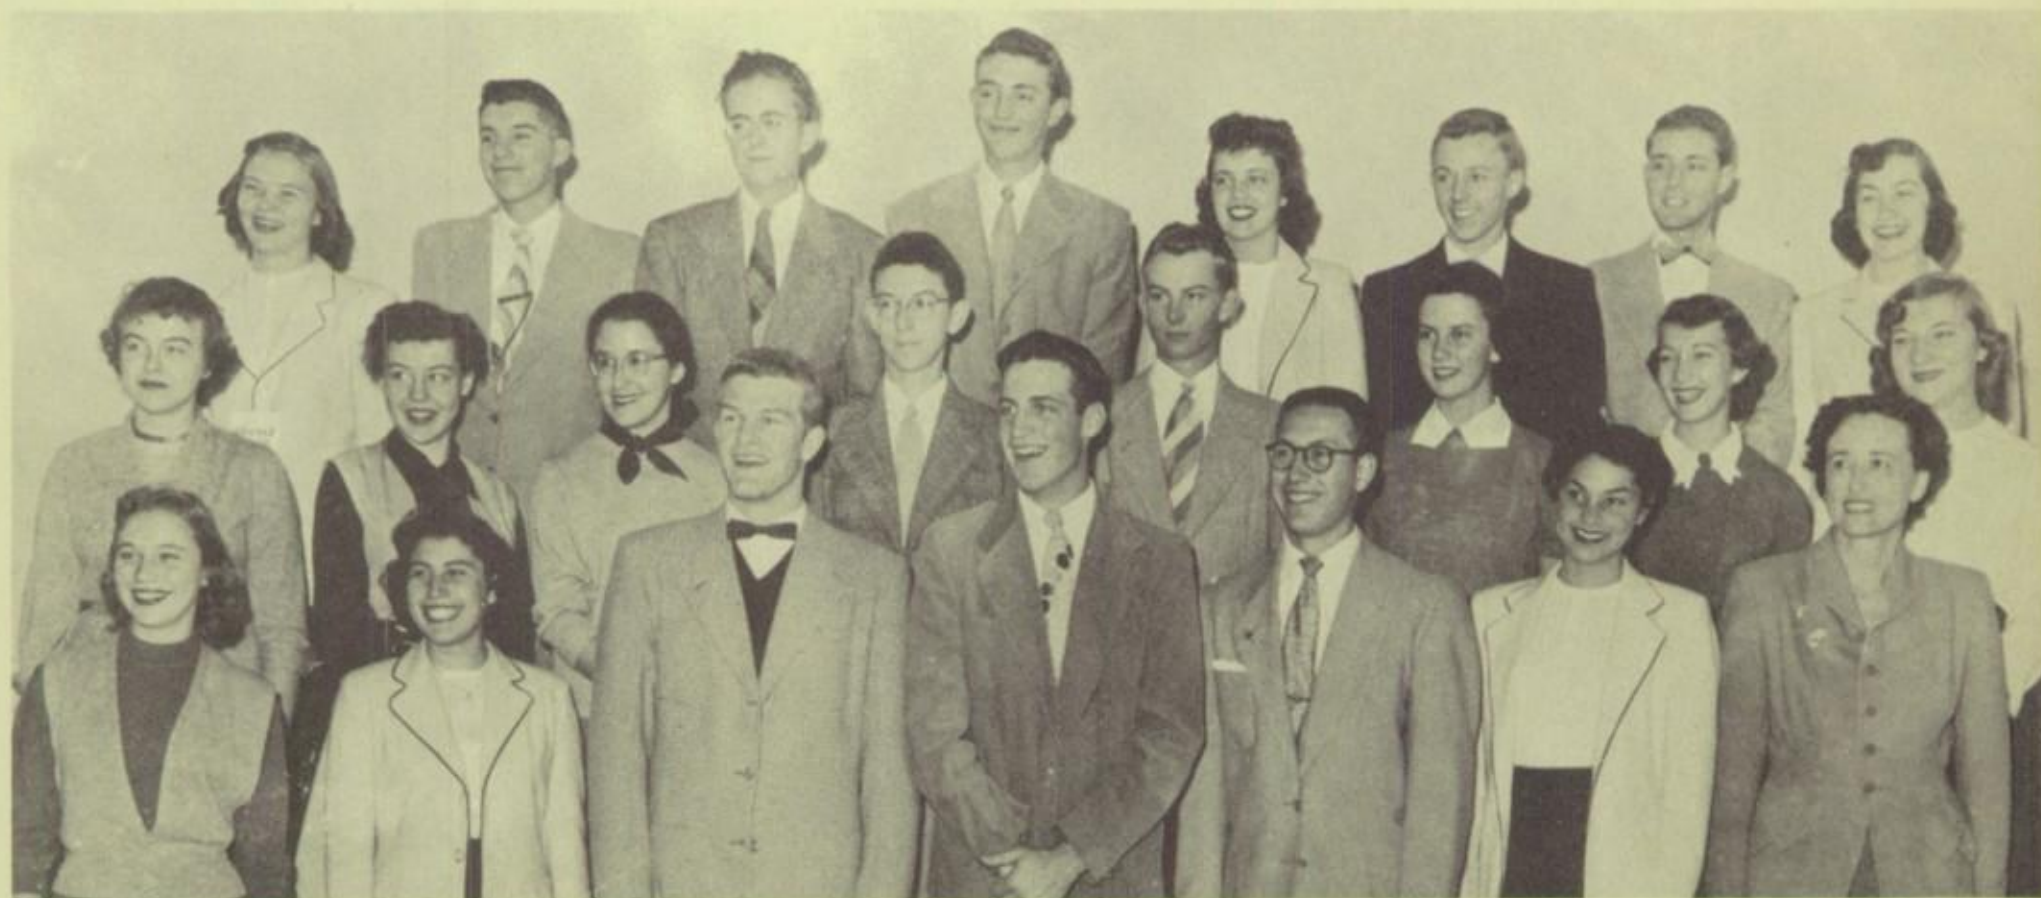

Meeting twice a month, the presidents of every school club form what is known as the Inter-Club council. The success of the thirty-two clubs at East depends on the council's guidance which leads them to worthwhile activities.

Open houses, which are held by the clubs, are encouraged by the Inter-Club council in order that students may become more familiar with the clubs they would like to join.

The Inter-Club council also strives to enlarge the membership of each club and to bring the clubs together through common activities.

## Hi-R-40 Stands For Service

In the future, certain young men will look back proudly to the time when, as members of Hi-R-40, they were active in one of East's social and service clubs.

As part of the all-school club program the boys, in conjunction with the Student and Inter-Club councils, strive to improve the lunch and parking lot situations. During the course of the semester the members take turns watching the parking lot every period. The purpose of this is to prevent students from entering or leaving the lot without permission.

## Debate Club Has Active Year

A club which has grown rapidly in the last few years is the Debate club. Due to the enthusiasm of students interested in public speaking, this club has been able to perform many services for the school and the club members.

Not all the members are able to take an active part in every scheduled debate, however East has been represented at every meet.

The purpose of the Debate club is to familiarize the members with debating and public speaking. Their ability in this field was shown when they participated in state and regional tournaments. Meets in which the debaters have taken part were at Colorado A&M college, the state meet at Colorado University, and a district NFL meet at Longmont high school.

## East Mathematicians Form Euclidian Club

Are you a "brain" when it comes to Math? Well, the members of the Euclidian Club can hold their own in this field.

The fascinations of problems presented in higher mathematics are more easily understood after the members have listened to the various guest speakers. From these speakers the members learn about the various vocations in which their math ability can be used.

Each year one senior is selected to receive an award for having achieved the highest mathematical attainments.

After high school is completed the members of this club will realize the value of the training they received as Euclidians.

## Denver Kiwanis Sponsors Key Club

Jointly sponsored by the school and the Kiwanis club, Key club was formed as a service club and to build leadership ability.

Key club members have the opportunity to attend Kiwanis luncheons and to meet important business members and community leaders of Denver. Since the club is sponsored by the Denver Kiwanis, it is an international organization and can be found in all high schools.

As their school service, Key club members are responsible for the bulletin board under the front hall clock. Almost anytime members of this club can be seen sitting on a rolling scaffold, patiently placing the letters which will inform the students of the week's events.

## Girls' Sports Encouraged By Inter-School Competition

To promote an interest in girls' athletics is the purpose of the Girls' Sports club. Girls participating in the different sports, games, and meets learn group cooperation.

Tournaments are scheduled for various sports and games, and the girls are always eager to see who will come out on top.

Members of this club often find that through their participation in the different sports, a lifetime hobby is formed. In years to come, they not only have an interesting pastime, but they find that they have made many friends. These girls will always be thankful for the worthwhile experiences they gained by belonging to the Girls' Sports club.

## International Relations Encourages Brotherhood

The aim of International Relations, one of East's most active clubs, is to promote an interest in world affairs and to develop appreciation for all people of the world. Interest in such topics is reflected by the outstanding position which the club has assumed at the annual International Relations Conference, sponsored by the University of Denver.

An applicant for membership must have a "C" average and be able to participate in all club meetings. A balance of both social and intellectual activity is maintained by members throughout the school year.

## Congress Club Becomes Acquainted With Government

During the past year, boys interested in public speaking and national affairs have been members of the Congress club. This club is the oldest club at East; it was organized forty-eight years ago.

Being a member of the Congress club not only helps with high school work, but it is a great aid to its members in college and the business world.

For the benefit of the members many fine speakers from Colorado universities and civic groups have spoken to the club. The Congress club also presents one of the top assemblies of the year.

Although the club's membership is limited to twenty, its members find it one of the most outstanding activities of their high school careers.

## Pre-Law Members Develop Leadership

Through membership in the Pre-Law club, boys find that they are able to establish many contacts in the business world. Every year the club presents its annual businessmen's luncheon, which gives the boys a chance to become acquainted with the different job opportunities available after college.

Pre-Law members sponsor assemblies, plan trips for the club and usher for various functions; however, the formal banquet in the spring is the most exciting function. This traditional banquet, for members and their dates, concludes the season's activities.

Throughout the year, meetings are held at the homes of the members in order to discuss the club activities and other current matters.

The twenty-five members of this club, after graduation from college, will have local connections in the business world due to the background and experiences obtained in the Pre-Law club.

## Members Of SkEast Look Forward To Winter Weekends

Each year SkEast, the East ski club, becomes larger as more and more students take part in the thrills of skiing. SkEast is strictly an out-of-school activity; however, inter-school competition is now promoted in the Denver high schools.

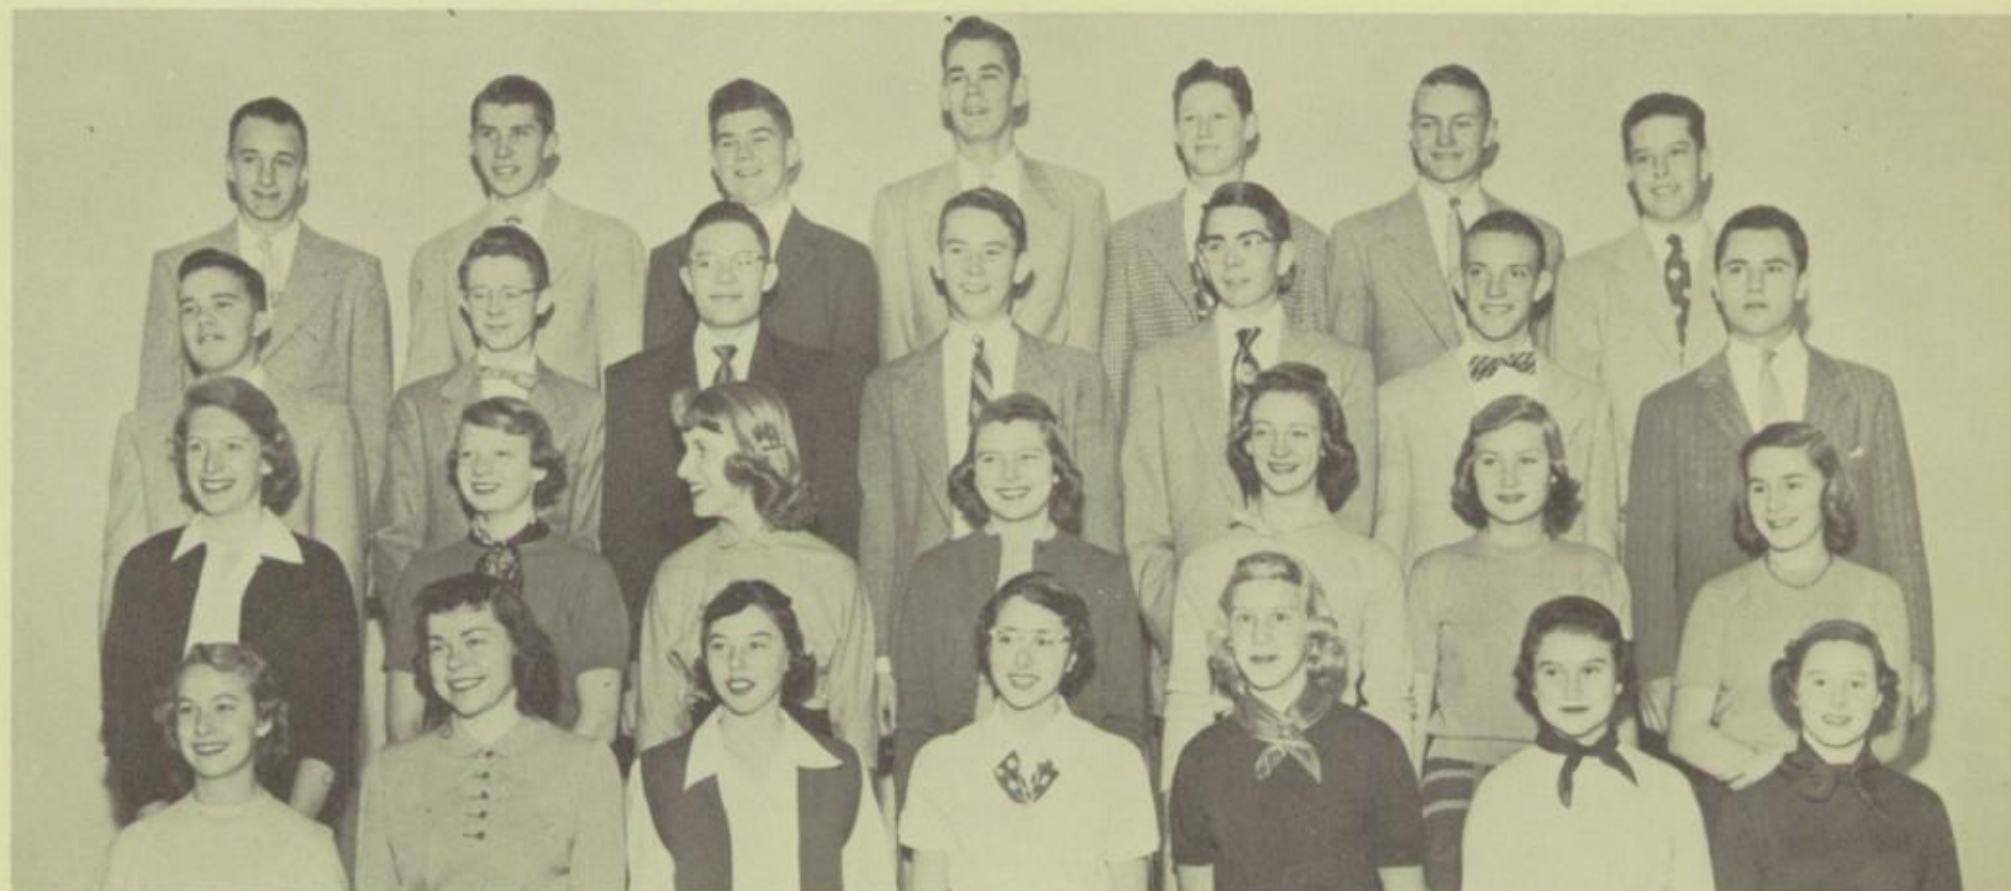

On March 27 and 28, the high school championships were held in Winter Park. In order to take part in the competitive meets, skiers are chosen on the basis of time trials which are held previous to the meet.

Members find that skiing is not only fun during high school, but it is also a sport they will continue to enjoy the rest of their lives. Looking back on their high school days they will remember the good times they had skiing down sun-lit slopes in the nearby Colorado mountains.

## White Jackets Encourage School Spirit

At every sports activity, girls in red skirts and white jackets can be seen, as well as heard, cheering for East and another victory.

The White Jackets not only set the tempo for cheering, but show remarkable ability when marching at half-time. During the Homecoming game the White Jackets gave one of their outstanding performances. Another one of the seasonal demonstrations was given at the all-city pep club drill.

To become a member of this organization, girls of the junior and senior class must have high grade averages, outstanding citizenship and poise.

## Faculty, Office Staff Aided By Seraph Sisters

Junior girls in the upper one-fifth of their class are chosen to become members of the Seraph Sisters in their senior year. During the spring, the girls selected are presented with red and white badges. The Seraph Sisters devote one period a day as assistants to the office staff and faculty.

The first dance of the year is always sponsored by this group. It is one of the year's most popular social events which every angel anticipates. Seraph Sisters become "big sisters" to new sophomores and acquaint them with the activities of East high.

As the climax of a successful year, the club presents awards to the ten outstanding senior girls.

## East Athletes Belong To D Club

The members of the D club are the boys who are seen taking part in all East's sports. These boys work hard to bring victory to East and to earn their letters and memberships in the D club.

Just taking part in athletic events is not enough to win a letter. The boys must play for a certain length of time or receive a certain number of points in order to win their letters.

While belonging to the D club, boys receive encouragement in the different activities which they wish to continue. D club is also a service club, and members are always ready to aid the school in any way they can.

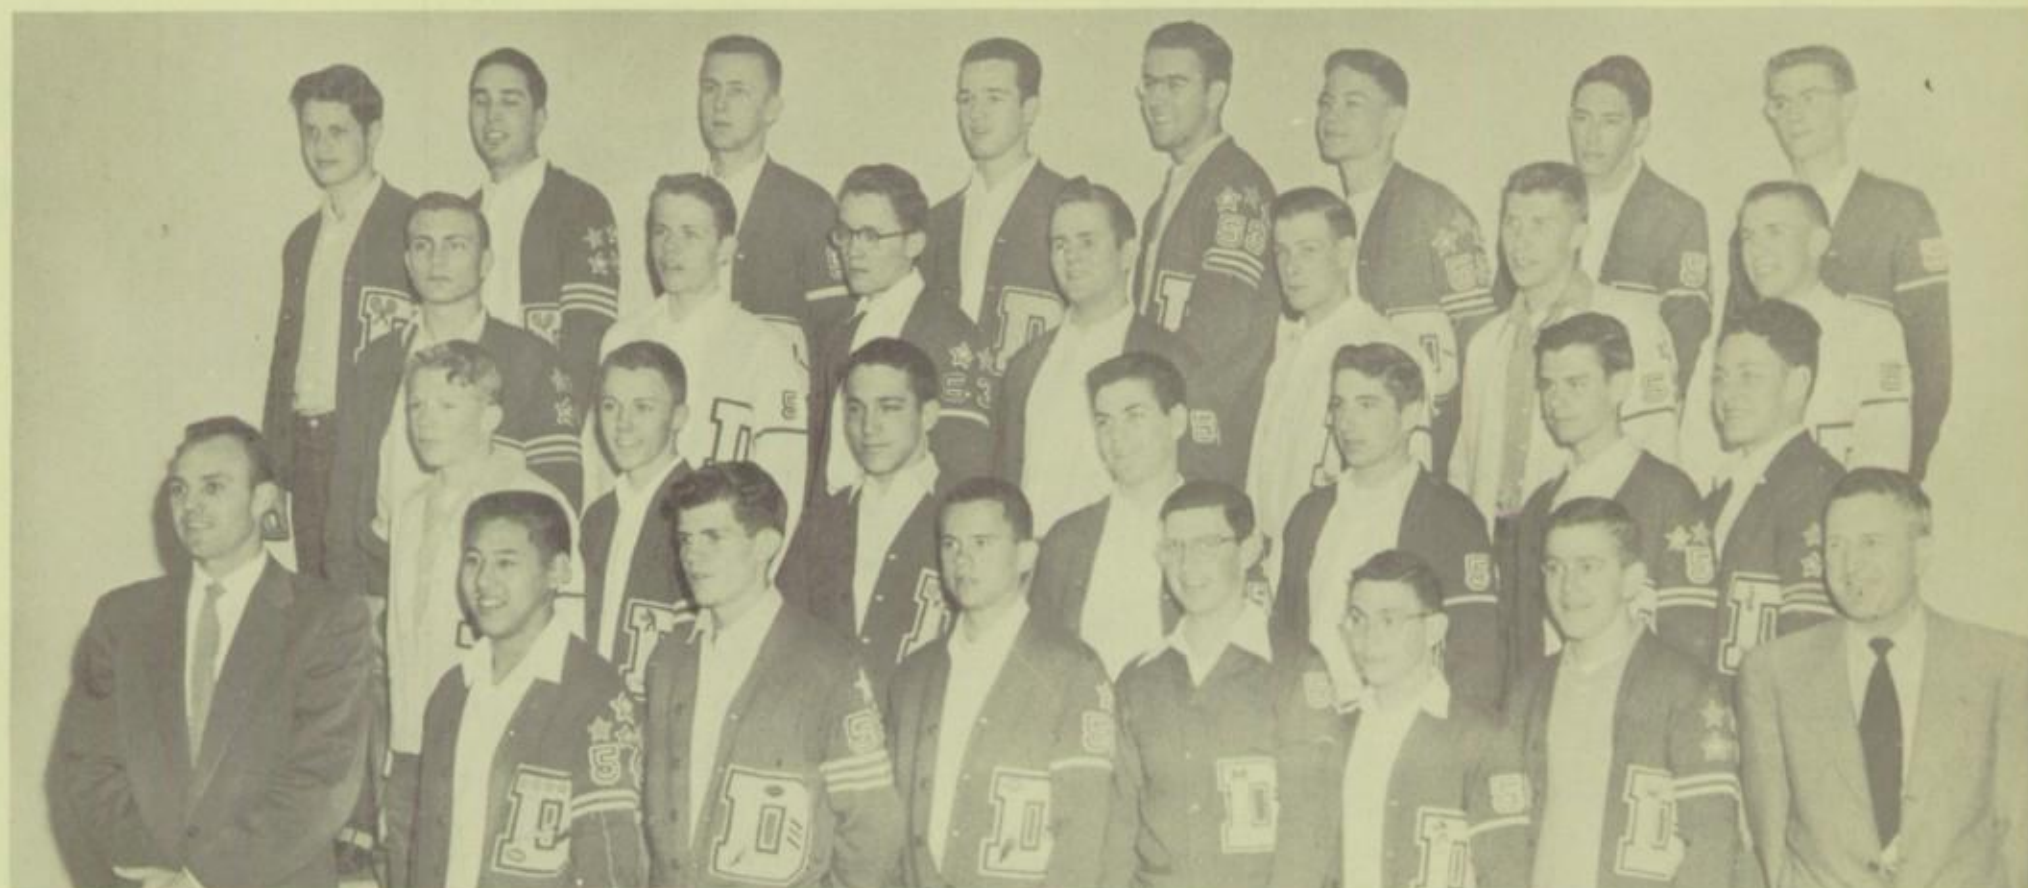

East is proud of the boys in the D club; without them the trophy case would be empty.

## Red Jackets Welcome Visitors And Newcomers

Good fun and service keynote the spirit displayed by the Red Jackets.

Besides functioning as a courtesy committee in the halls at all times, the club members maintain an information booth in the front hall which assists visitors and puzzled new students.

Lively cheering and good sportsmanship are promoted by the Red Jackets at football games and pep assemblies, which greatly aids in maintaining school spirit.

## Pre-Medic Members Strive For Knowledge

For the medically minded people at East, the Pre-Medic club offers practical knowledge in the field of medical science.

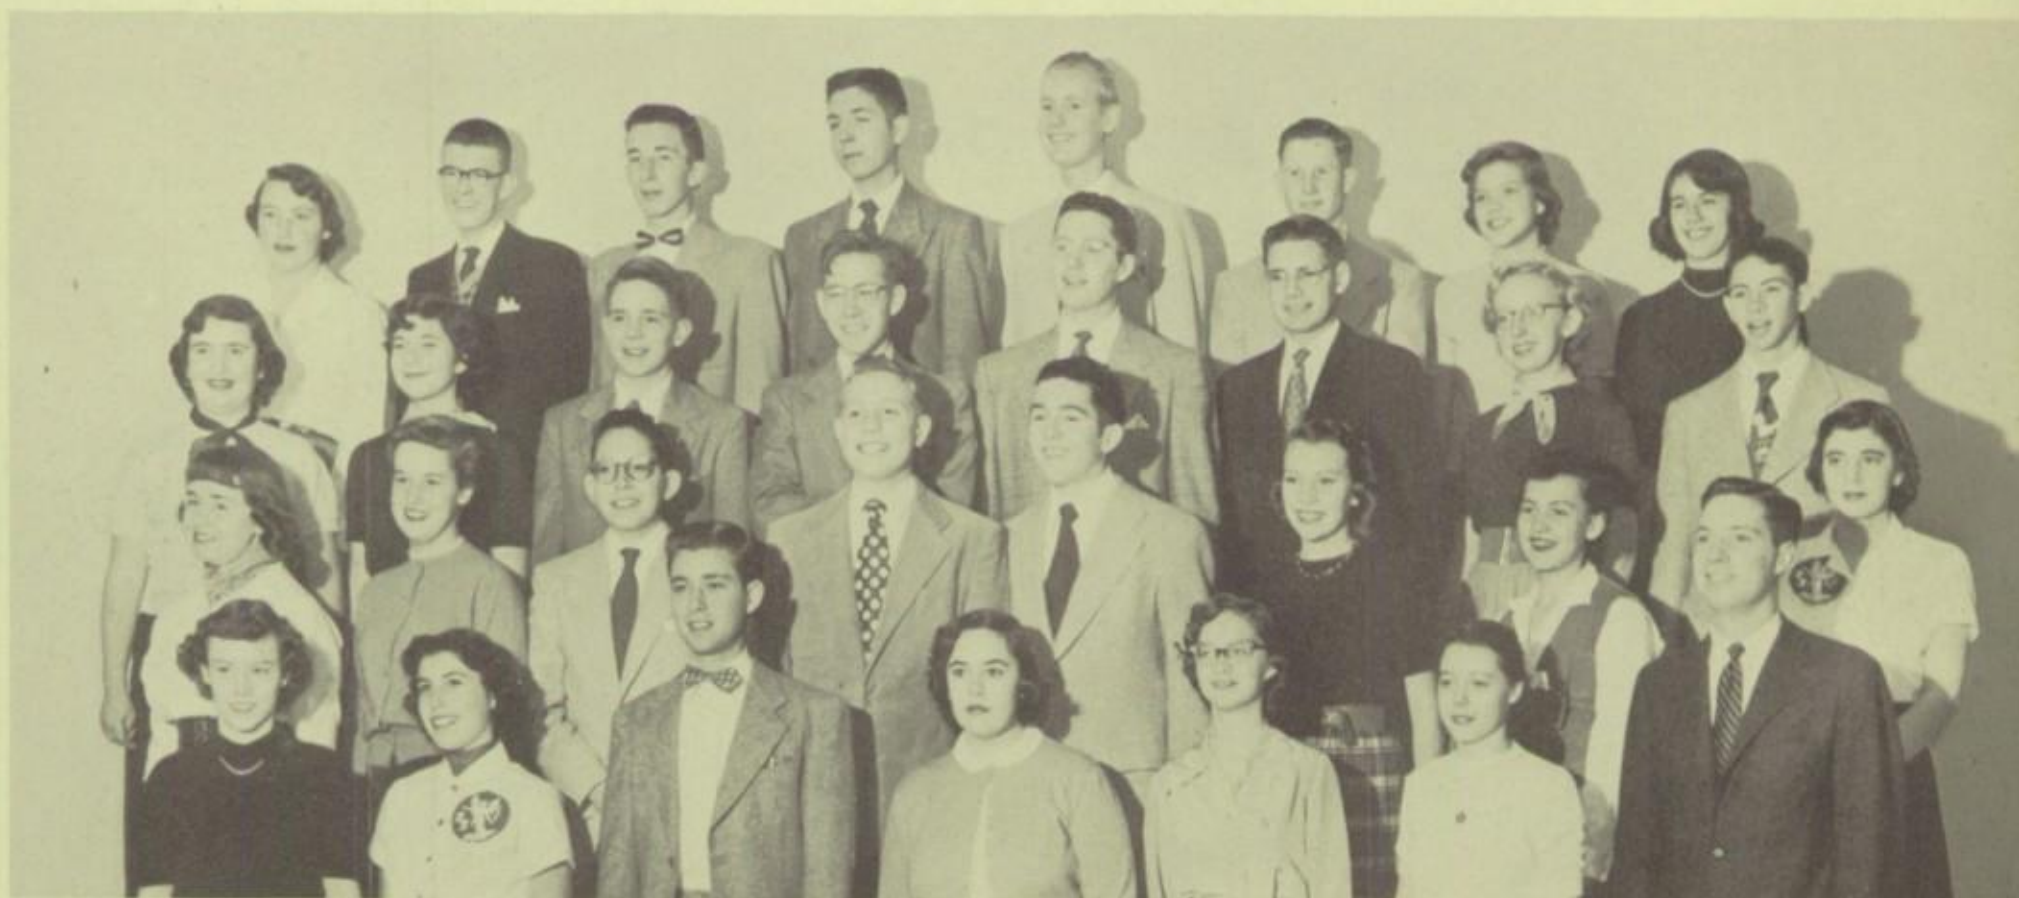

The qualifications to become a member of this club are: an interest in science, a B average, and recommendations from two teachers.

Movies, speakers, and field trips related to medical science and allied fields are provided to make Pre-Medic one of the most interesting clubs in the school.

Favorite activities of the club are the field trips. This year members were taken through the city morgue. According to them, this trip was the most unusual one in the club's history. Movies on operations also make meetings more interesting.

## Red Cross Council Is Eager To Help Others

One of the city's most appreciated organizations is the Red Cross Council. The members of this council do not work for the benefit of themselves, but for the necessities and happiness of others.

Christmas stockings are the East council's biggest activity. The stockings are for hospitalized soldiers and are filled by the students.

Dish-gardens, which were used as table decorations at the annual Red Cross banquet, were raised by the council members and were later given to various Denver area hospitals.

An assembly featuring the Manual drill team was presented by the council to boost the annual Red Cross drive in February. The campaign was more successful this year than it ever has been.

## Stage Crew Works For Better Assemblies

Without the help of the Stage crew, it would be impossible for East to present its excellent assemblies and special programs. These boys work hard all year, but they are never seen by the audience.

Stage crew boys have special training, and are able to handle any situation which may arise back stage. They know which scenery will look the best and what lighting will give the effect desired.

The scenery is built by the stage crew; however, the Art club assists with the special effects. The boys also build special props, create special sound effects, and aid in the decorating of the Christmas tree.

Jan Bailey works back stage.

Through the clubs and their individual programs, students are provided with activity, pleasure, friendship and knowledge. The foregoing section contains pictures of the groups which form an integral part of extra-curricular life.

Whether the clubs' purposes are to serve the school or to broaden the student's knowledge in special fields, participation in them affords valuable experience to each individual.

For many years to come we will each recollect our associations in these clubs as a gratifying part in the time of our lives.

# Athletics

You, the student, the team,  
the individual player--  
all have earned the trophies.  
Trophies symbolic of your  
sportsmanship and will to win,  
set down in records  
that defy time.

# Athletics

Evidence of great athletic ability greets the wanderer in the halls of East; time has filled the trophy case.

Though East's athletes try to win all the contests they enter, they do not lose sight of the fact that the best competitors combine good sportsmanship with a strong will to win. The reason for the large number of championships and trophies won by our athletic teams is due to this style of competing. In years to come it will not be remembered who we beat, or how badly we beat them, but rather how we played.

As a constant source of inspiration and spirit, this year's cheerleaders deserve a special vote of thanks from the student body. Although the temperature drops below freezing, and the snow is falling, they always may be seen out in front, leading the cheers which guide our athletic teams to victory. One of the reasons for our high number of athletic trophies and victories must certainly lie in the fact that we have such fine cheerleaders. A lusty fifteen "rahs" for the East High cheerleaders.

## East Rolls Over South 30-0 and 32-6

This, the second game of the '53 season, was the Angels' 31st straight league win. The first tally came in the opening period, when Dikeou took a lateral and scampered twenty yards to pay dirt. The Angels scored again when Carlsen hit Monte Pascoe with a pass. After a 48-yard march, Dikeou, easily the star of the game, turned right end for the touch-down. Dikeou scored again by returning a 68-yard punt; he was protected by the excellent blocking of the Angel forwards. In the last period Dikeou cut around right end for the final tally.

The powerful Angels copped the city championship with the defeat of South 32-6. The first tally came when the Rebels fumbled and Ed Tharp recovered the ball on the thirty; the play resulted in a score by Dikeou. Monte Pascoe picked up a South lateral and dashed for the tally. Pascoe scored again on a 44-yard pass from Carlsen. The Angels padded their lead when Bill Leslie carried the pigskin over for the final score. The Angel line, led by Gregg Lefferdink, was outstanding throughout the game.

## East Squelches Thunderbolts 47-6 and 14-0

East rolled over the Manual Thunderbolts 47-6 and cinched the 32nd straight prep league triumph. Three plays after Gregg Lefferdink recovered a Manual fumble, Johny Dikeou turned the right end to start the East massacre. A thirty yard pass by Ray Carlsen to Monte Pascoe was good for the second score. Carlsen later scored from the three. Early in the second quarter King Bare plunged through the middle for another Angel score. East poured over four more touchdowns in the second half, with scores by Carlsen, Pascoe, Loren Wheeler and Tom Langan.

East defeated Manual 14-0 on a cold, windswept field. Ray Carlsen scored both of East's touchdowns and Dikeou placekicked the extra points. Carlsen cracked over from the four yard line in the first quarter and scored again in the third period from the one-yard line. Statistically, East had an overwhelming edge, traveling 166 yards on the ground and 81 yards through the air for 16 first downs.

## Angels Defeat Viks 25-6 and 26-0

In the first game against North the East gridders rolled over the Vikings 25 to 6. The outstanding play of the game came when Ray Carlsen took the ball and raced 73 yards to pay dirt. Carlsen later threw a pass to Monte Pascoe, which was good for 46 yards and a touchdown. Lanny Hopwood ran 21 yards to score and later Carlsen plunged off left tackle with the final score. The Angel line toughened time after time, and deserves a good deal of credit for the victory.

In a game sparkling with aerial plays, the Angels downed the Viks 25 to 0. John Dikeou turned left end and sped 41 yards to score. Carlsen to Pascoe passes accounted for two Angel scores, and in the closing minutes, Karl Johnson recovered a North fumble on the Vik ten which set up the final score by Johnny Dikeou.

## Angels Trample Cowboys 13-0

A Carlsen-Dikeou lateral play for 13 yards; Loren Wheeler's 10-yard jaunt and a Carlsen-to-Dikeou screen pass set up the first tally of the game. Carlsen and Dikeou combined on another lateral play for the score. Bill Kemper converted.

In the second period, Hazelhurst scored on a well executed end run from 23 yards out with Gregg Lefferdink's key block taking out the last Cowboy defenders.

The cold 39-degree weather hindered both teams, with each club fumbling four times. East lost the leather on three occasions, with the 'Pokes losing only two of their bobbles. The outstanding East defenders were Mick Alanis and Rick Kirgis, who recovered the two West fumbles, and Gregg Lefferdink, who blocked a punt.

The second West game was cancelled due to unfavorable weather conditions.

Hats off to managers Pete Leonard and Jerry Carlson.

## Longmont Upsets Angels 19-13

## Juniors Set Score Record

East's junior gridmen copped the city crown for the fourth consecutive year. This year's squad was the highest scoring junior team in the history of the school. The record made by the juniors may be an optimistic indication of more football victories next season.

Under the capable leadership of Coach Gregg Browning, the Junior Cherubs outclassed North, 21-0, and in a game expected to be the hardest of the season, again rolled over North 46-7. In the game with South, the Rebels fell under the axe of the Angels by a 31-6 score. Manual was defeated in the third game of the season 21-2; the line deserved a great deal of credit for this victory. At West, the Angels skipped by the Cowboys 27-6. The second games against West, Manual, and South were cancelled because of snow.

Outstanding players were: Dave Giem, Dick Erickson, Kent Hearn, Bill Kemper, Tom Langan, Kenji Yabe, Herb Pingree, Clint Hallum, and Stan Williams.

## Sophs Cop Crown

Four hard-fought football games gained the city championship for Coach Bill Ingram's powerful sophomores.

East showed good form in defeating South 12-6; with the same enthusiasm the team eliminated West 20-0. In the game with North, the Angels outclassed the Vikings 13-0 in a bitterly fought contest. The sophs tied a scrappy Manual team 6-6 in the last league game. A practice game, the last of the season, ended in a tie with Englewood, 7-7.

A few outstanding members of the team were: George Linger, Bill Heidbrink, Roy Pritts, Doug Carr, Steve Musman, Mike Roberts and Roger Kinney.

## Linksters Annex City Title

The Angel linksters copped the Denver public prep league city championship for the third straight year. Under the able coaching of Mr. Bill Weimar the golfers had a season's record of 15 wins and one defeat.

In the first match of the season the Angels took home a 4 to 0 victory over North. In later matches they defeated the South's Rebels 4 to 0, and swept over Manual with an identical score. In the last match of the season the West Cowboys were overwhelmed 4 to 0.

Chuck Briggs was elected captain of the '53 team. The Individual City Champion award went to Bill Nelson. Those who made the all-city team were: Ed Abbey, Chuck Briggs, Bill Nelson, Pete Schrepferman, Casey Brauns and Jim Hammrick.

## Netsters Finish First

The Seraph tennis team won the city championship for the seventh year in a row. Led by all-city members Osgoode Philpott, Lou Hagler, Judge Carson and George Writer, the Weimar-coached team went through the season winning 43 matches and meeting only five defeats. The team came against stiff competition throughout the city league, but was decidedly the champion.

During the season the Angels defeated South 4-2 in the first match, and later tied the Rebels 3-3. The scores against North, West and Manual were 6-0 in favor of the Angels.

Outstanding members of the 1953 City Championship tennis team were: Sheldon Berk, Lou Hagler, Osgoode Philpott, Ted Epstein, Judge Carson, George Writer, Jerry Chambers and John Whistler.

## Seraphs Take State Gymnastics Crown

With a total score of 104 points, the East Denver Angels took the state championship held at the University of Colorado gym. This is the second victory in a row for the team coached by Mr. John Brennan. Because the squad had so many sophomores and juniors, the Angels are figured to be one of the top contenders for next year's high honors.

The team scores were: East 104 points, North 68, South 9 and Boulder 4.

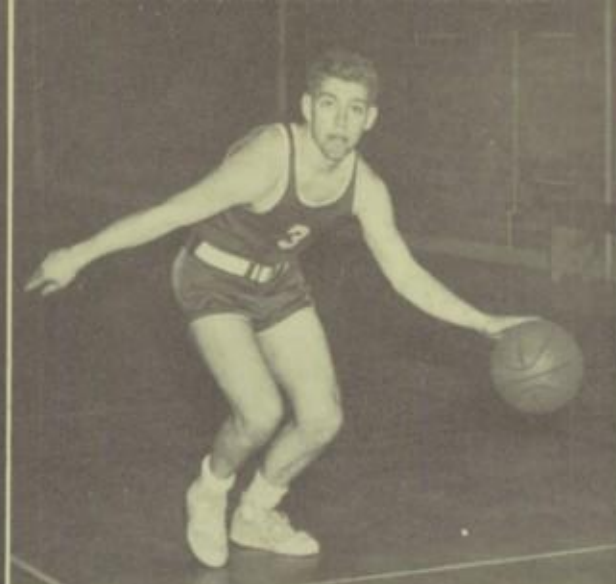

Ken Hearn, outstanding throughout the tournament, won the horizontal and parallel bars events. Others who helped win the state championship were: Dick Brium, Ed Dirdorff, Ken Helms, Eldon Hearn, Larry Hugie, Larry Lankford, Jim Lundgren, Byron McKee and John Naylor.

## Angels Tie for First

In the pre-season predictions by "knowing" Denver sports writers, this year's East high basketball team was expected to finish no better than third or fourth in city competition. However, it soon became evident to the same sports writers that the Seraphs were strongly in the running for the city crown. In pre-league games the Angels had a 7 win and 1 loss record, and with each game the Seraph team improved immeasurably. When the Denver Public Prep League opened, the Angels began early to display the hustle, spirit and fine sportsmanship that accompanies a team determined to win.

Coach Bill Weimar started with a team which might well have been called novice, a team which was without a single man who had played on last year's first string. He had the height of Dick Brott, Don Montony and Monte Pascoe, combined with the speed and deception of Bob Silverberg, and the passing and deadly shooting of Pete LaChapelle. With these men he molded a team which was one of the most outstanding in the history of the school. It tied Manual for the city championship, and took third place in the State tournament.

Others who helped to make this team so outstanding were Ed Abbey, Bill Bramlette, Max Witham, George Witsell, Dick Wickman, Buster West and Stan Williams.

## East 66, North 46

## East 49, North 48

Opening the season with practice games, the Angels defeated Loveland, Englewood, Westminster, Ft. Collins, Longmont and Boulder, and lost a game to Greeley. The Seraphs then launched their bid for the Denver prep basketball championship with a 66 to 46 victory over North.

Led by Don Montony and Dick Brott, the Angels wasted no time in giving the impression that they had another team which would be in the running for the city title.

In the second round play the Angels met the Vikings in a game that was a thriller throughout, but the Angels walked away with a 49-48 victory. In the last minute of play Don Montony took the ball and drilled a one-hander from the corner, and his basket saved the Angel cause.

Brott tips for two.

## East 49, South 42

## East 39, South 52

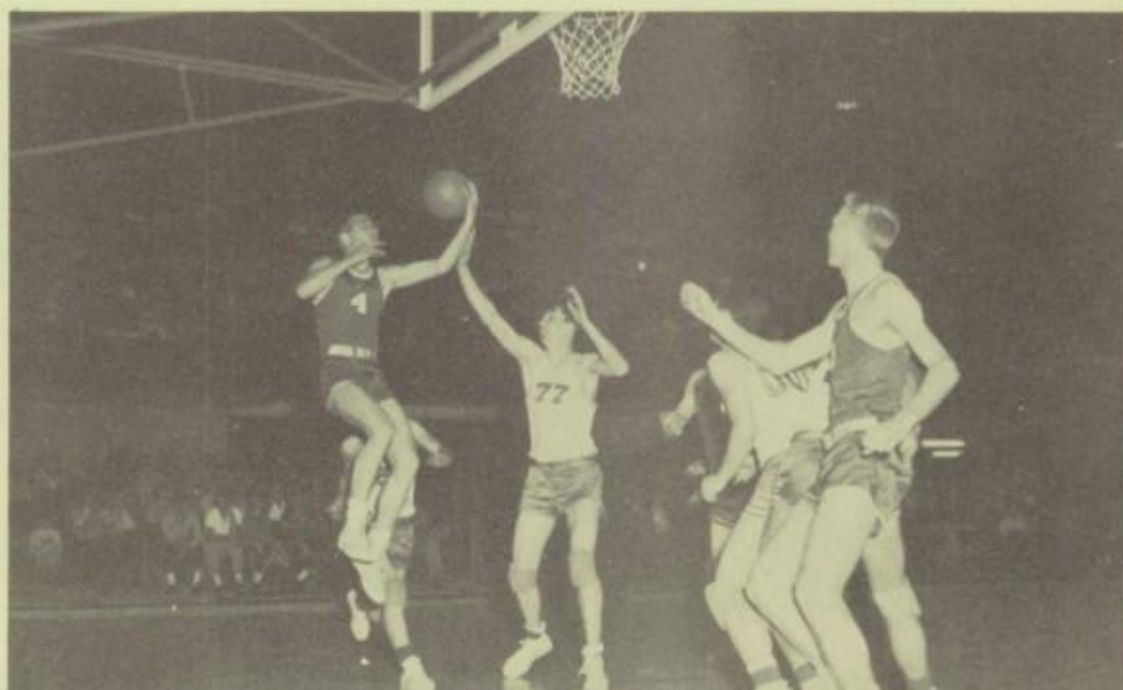

After a week's rest the Seraph quintet returned to Denver league play to drub South 49-42 in a contest that was continually marred by fouls.

A highly inspired Rebel team ended East's nineteen game winning streak 52-39 in the second round play. Early in the game it became apparent that the Rebs were highly spirited; throughout the game they were deadly in their shooting. The first time during the season the Angel defense let down, and this was reflected in the score.

## East 58, Manual 49

## East 44, Manual 54

The largest crowd of the season saw the Manual Thunderbolts defeated by the Angels 58-49, in a game which was to decide the champion of the first round of play. This win continued East's supremacy over the 'Bolts for the fourth year. East never trailed, and took final command early in the third period. La-Chapelle, who sunk 18 points, was the main gun for the Seraphs.

After waging a vigorous battle throughout the game, the Angels fell under the potent guns of Manual, 54-44, in the second round of play. The clutch shooting of the 'Bolts turned the tide late in the third period. Dick Brott, a stellar in defeat, contributed 25 points to the losing cause.

## East 51, West 43

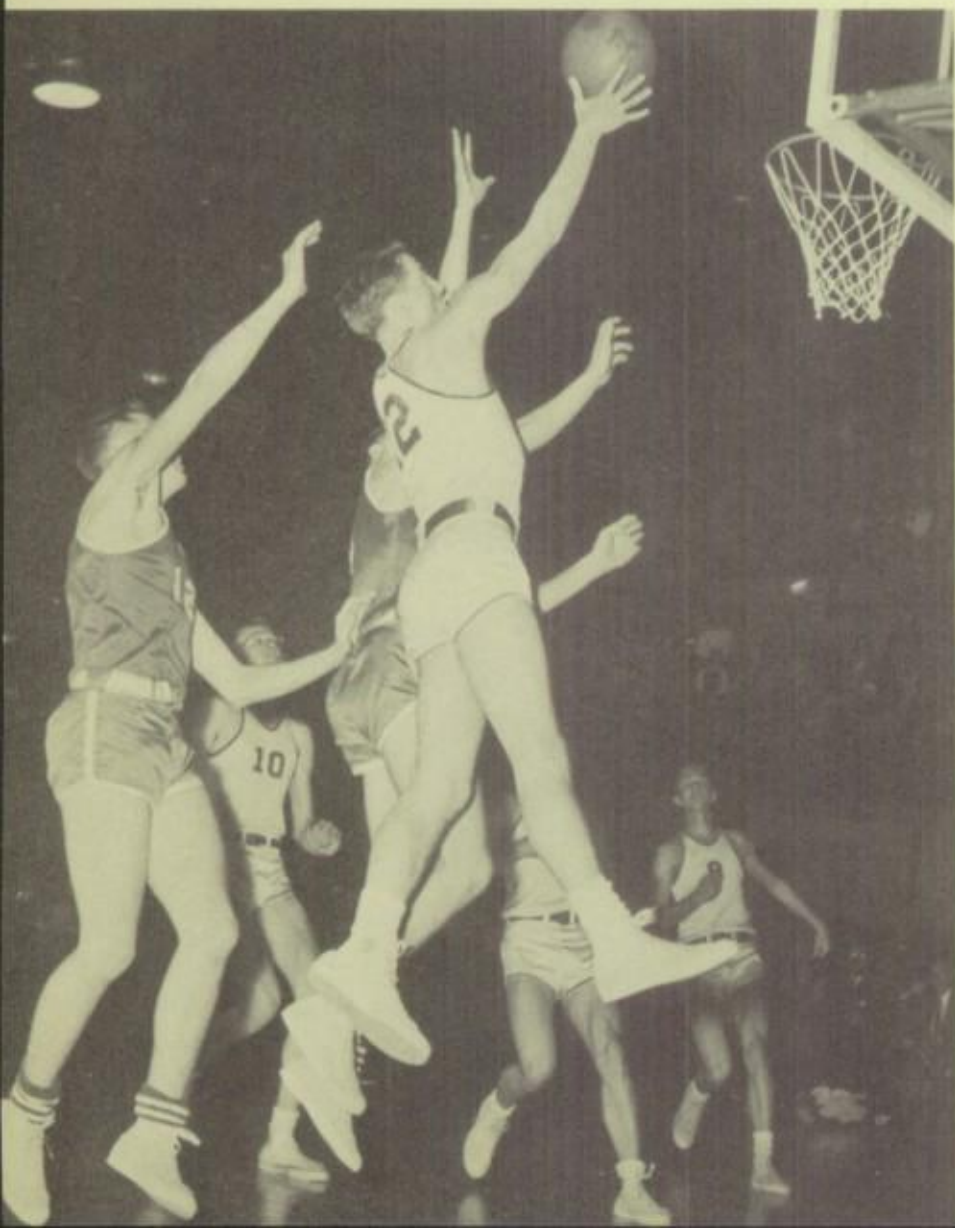

## East 59, West 46

The Cherubs pulled away in the final period with the outstanding playing of Ed Abbey, Monte Pascoe and Bob Silverberg to defeat the West Cowboys 51 to 43.

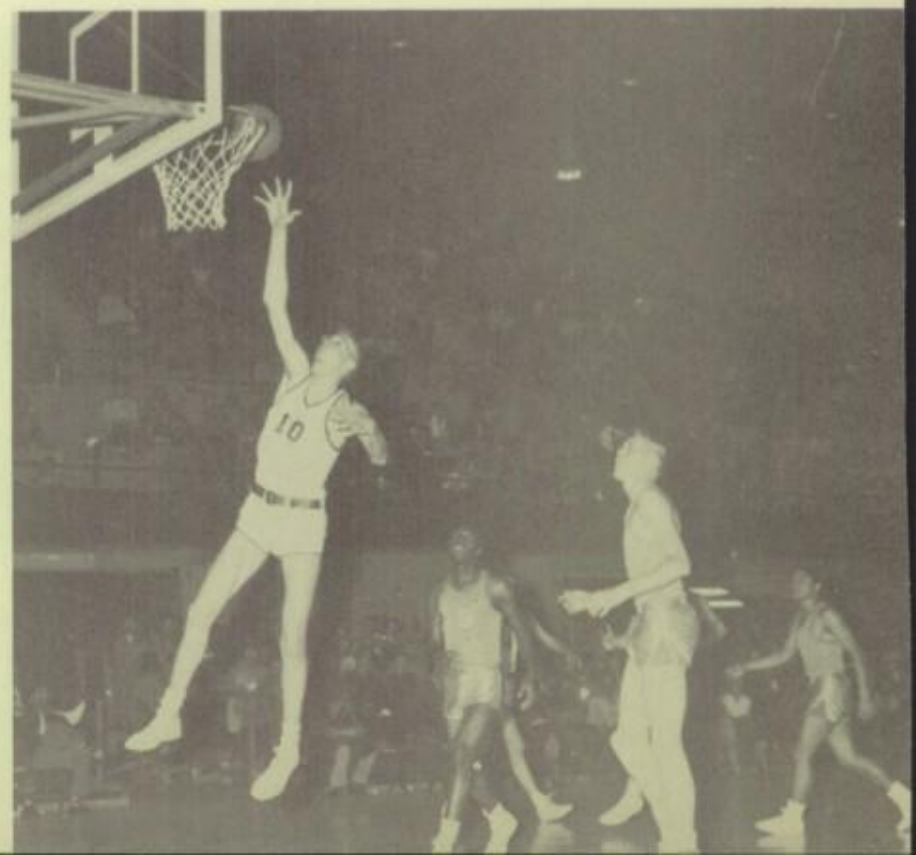

In the last game of the 1953 Denver prep league season, the Angels gained a tie for the city championship when they downed the 'Pokes 59-46. Due to the improved defense of the Angels, West failed to hit a single field goal in the last quarter.

A few days after the game, it was learned that Dick Brott and Don Montony had been selected on the all-city team.

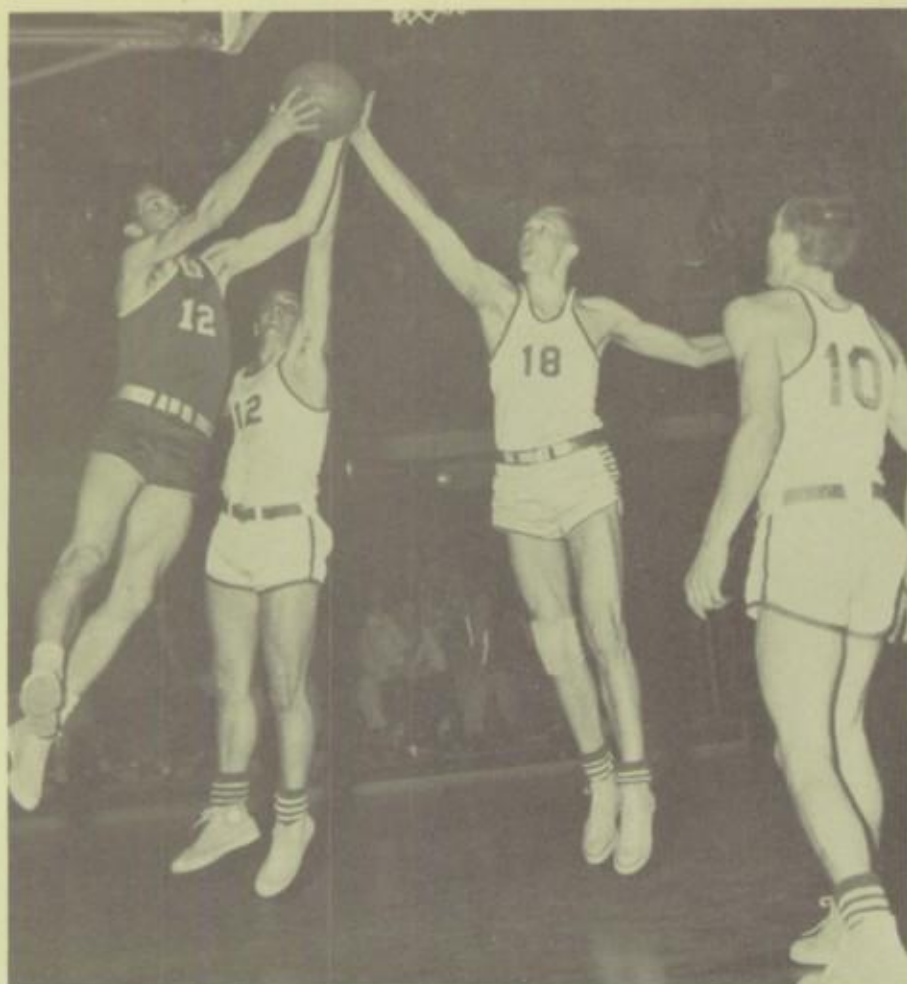

Another two for Dick.

Monte goes high.

Pascoe hits the impossible.

We've lost!

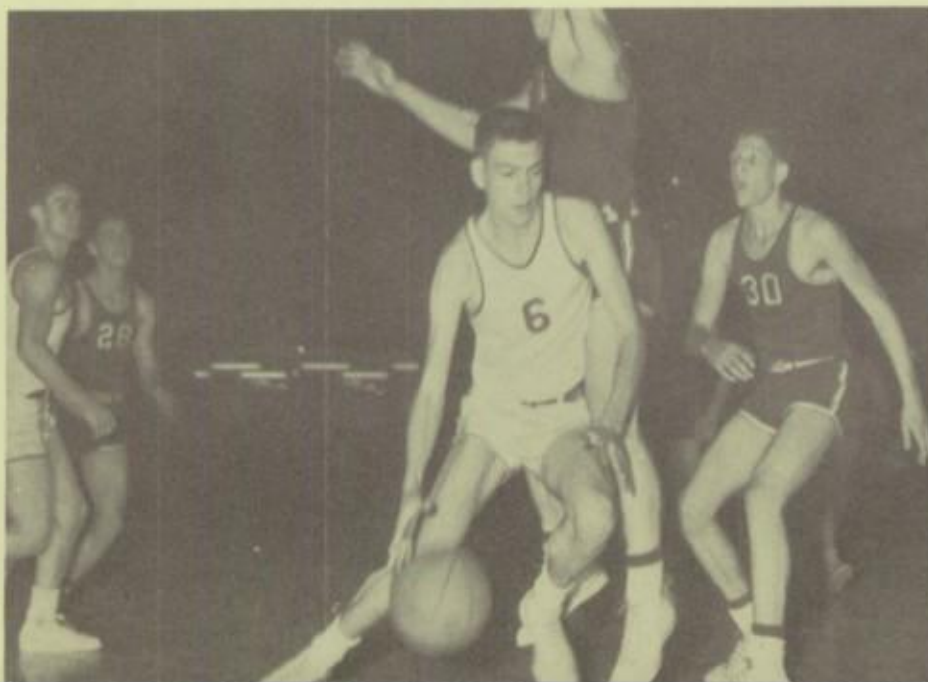

## Seraphs Make State

The East Angels started off their bid for their third straight state championship with a booming 73-39 victory over a completely outmanned Pueblo Central five. The Seraphs wasted no time in building up their lead, and were never in trouble from the tip off to the final gun.

Hitting an extremely high percentage of their shots, the South Rebels defeated the Eastsiders in the semi-final round of state competition. The hustling Rebs started strong and never seemed to cool off. Monte Pascoe was outstanding for the losing Angel cause.

After the tournament had concluded Angel Dick Brott was picked on the all-state team.

Go Eddie, go!

Again Dick goes high.

Opening the season with a 64-56 victory over a well balanced North team, the juniors launched their campaign for the 1953 league championship. Following the North game, they lost to Manual, 46-37, and then to the West Cowboys, 64-54; they defeated South, 49-45. In second round competition, the hard-fighting juniors lost to North, 60-53, and then defeated Manual, 44-43, in a tight game; West was overpowered, 53-35, in the final game.

Outstanding junior competitors were: Al Marcove, Bill Hanneman, Dick Wickman, Stan Williams, Roger Kinney, Jerry Rice and John Thompson.

Showing good promise for future basketball seasons, the sophomores finished the season with a seven won and one loss record.

The sophs opened the season by defeating the North Vikings 43-33, and followed with a victory over South, 43-40. Manual fell under the potent guns of the Angels next 50-40, and in the last game of the first round, West was trounced 57-35. In playing Manual for the second time they defeated them 46-44, and they then defeated South 37-33, and Manual 44-26. In the last game of the season, they dropped their game with West 42-28.

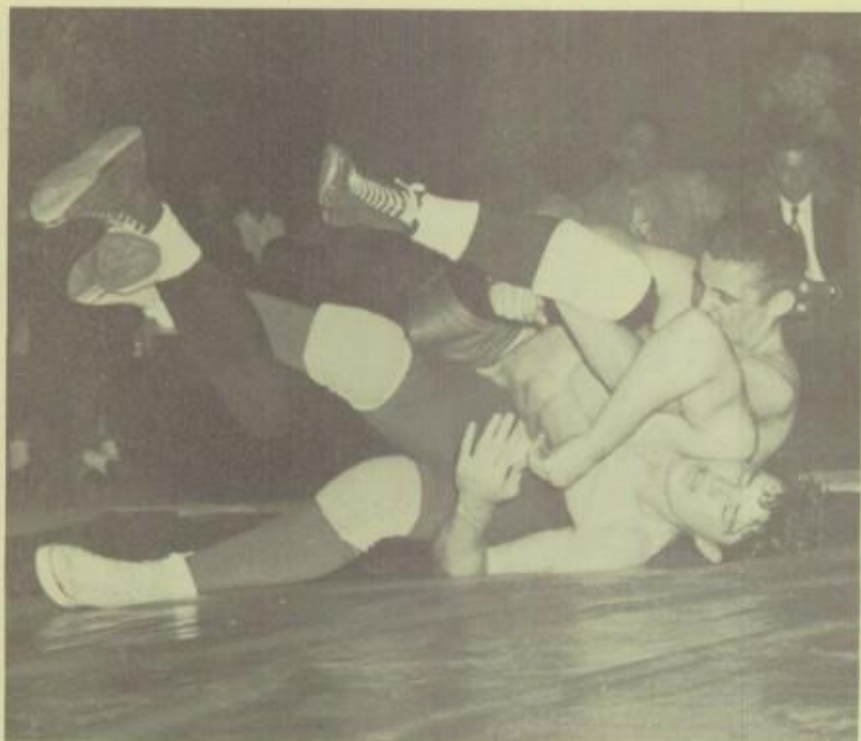

Outstanding sophomore basketball players were: Dave Appleton, Bill Heidbrink, Bill Kruetter, George Lloyd, Bob Linnenberger, and Bob Zimmerman.

## Grapplers Finish Fourth

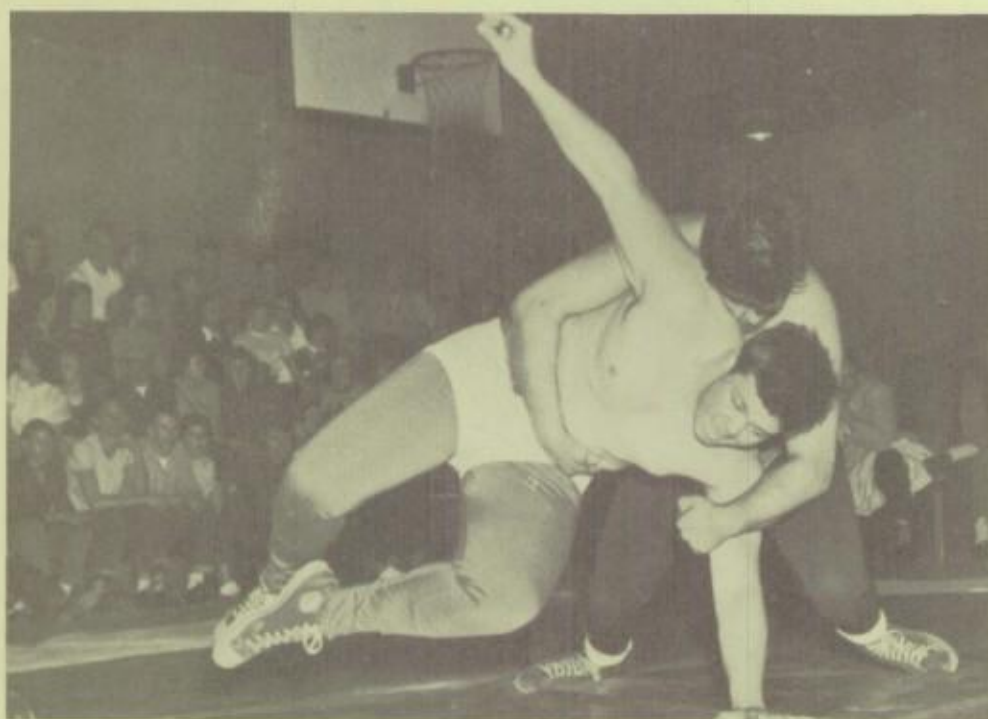

Bolstered by returning lettermen, Larry Bain, Gary Stoll, Dean Crosby, Kent Orchard, Scott Steinhauer, Herb Pingree and Art Bailey, the East High grapplers finished fourth in city competition. In pre-season matches the Angels wrestled Aurora high school and Ft. Collins; they also participated in the Greeley Invitational Tournament.

In the opening match of the '53 season the Angels bowed to North 37-10, and later to South 27-16. They showed great strength in defeating Manual 49-3, but in the last city match they lost to West.

This was Coach John Brennan's fifth year; he may look forward to a fine team next year due to the large number of returning lettermen.

Gabe Goldsmith and Kent Orchard qualified for the State meet. Goldsmith was defeated in the second round of the match, but Orchard won the State in the 138-pound bracket.

Other outstanding men on the team were: Paul Striker, Lorin Jenik, and George Welch.

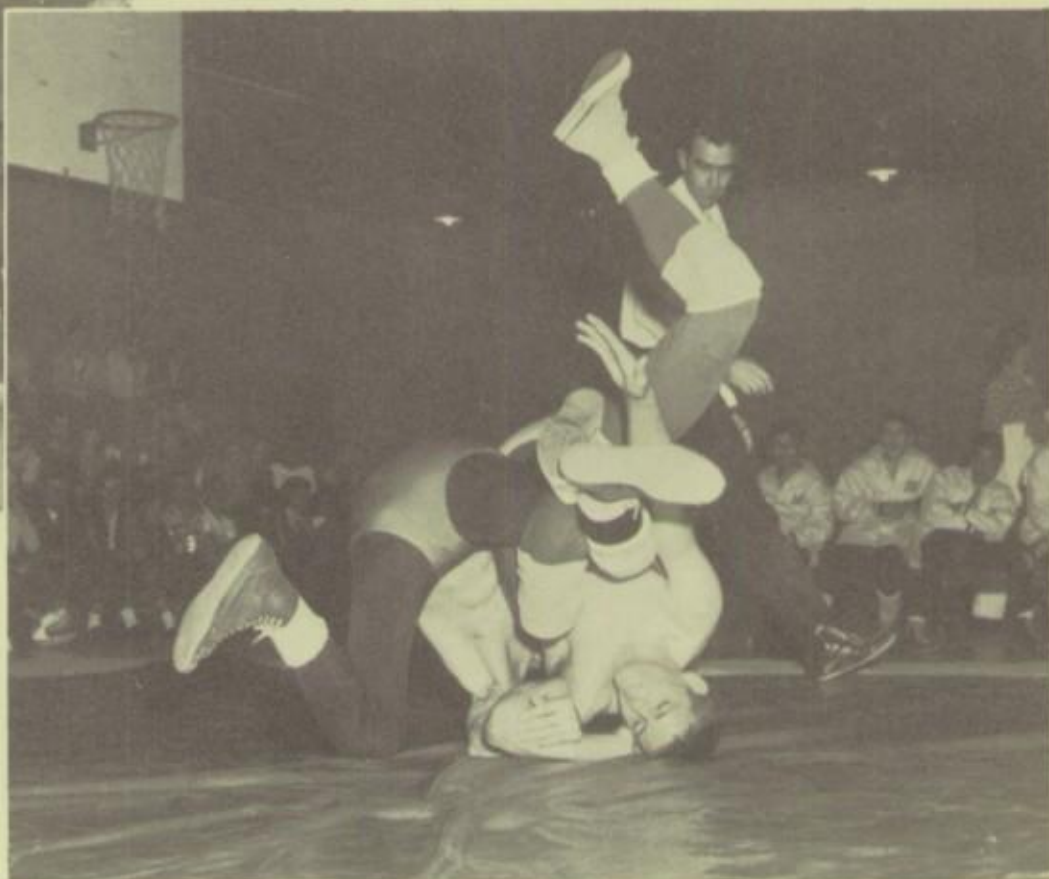

Front row, left to right: Gary Stoll, Scott Steinhauer, Dean Crosby, Don Lucero, Paul Striker, Loren Jenik. Back row: Mr. Phil Serafini, *trainer*; Kent Orchard, George Welch, Art Bailey, Lorin Yeates, Gabe Goldsmith, Mr. John Brennan, *coach*.

## Angel Nine Aims for City Title

The Angel nine, coached by Mr. Phil Serafini, may well be expected to cop the city crown this year. One of the reasons for this optimism lies in the fact that the Angels have seven returning lettermen: King Bare, Reggie Bowman, Bill Hannemann, Bob Seitz, Don Lucero and Dick Sheehan.

In the opening game of the 1953 season the Angels defeated the Vikings 9 to 5. Bill Hannemann was the big gun, driving in six runs with a double and a homerun. The battery of Stan Williams and Dick Sheehan proved their worth when Stan held North to only six hits, striking out six.

Figuring in a fine display of hitting were the doubles of Roger Kinney and Reggie Bowman.

If the performance in this game may be an example of future games the Angels should go far, and perhaps cop the city title. They showed fine pitching, hard hitting, and excellent team spirit and hustle.

## Thinclads Run Over South

Expectations for an outstanding track season were justified in the first dual meet against South when the Angels won  $79\frac{1}{2}$  to  $44\frac{1}{2}$ . The cindermen displayed their superior abilities with Larry Manion and Jack Moxley winning first and second places respectively in the high and low hurdles. Hirsh Barmatz was third in the high hurdles. Bob Lamson won the discus with 138 feet. The pole vault contest found Gary Schaulis as high man with 11 feet, 2 inches. George Witsell won first place in the broad jump with 19 feet, 1 inch and tied for second in the high jump.

Tony Shrednik triumphed in the open 220 yard run with 23.4 seconds. Monte Pascoe took first and Jerry Page second in the 440 yard run. Bob Knight came from behind to display distinguished running traits with the winning time of 4 minutes and 58 seconds for the mile run. John Dikeou, easily won the 100 yard dash. In the 880 yard run, Bob Wells came in second and Jerry Brown, third.

The 880 yard relay team won as John Dolbey, Doug Carr, Shrednik, and Dikeou composed the team. The mile relay team comprised of Loren Wheeler, Gray Writer, Page, and Pascoe took first place.

## Active Girls Spark Tournaments

Participation in girls' sports played an important role in East's outstanding athletic program.

The activities commenced with a double round robin tennis tournament. Singles were climaxed with Mary Lou Talmon winning first place and Nancy Langhorn runner-up. In the doubles Metza Yaksha and Barbara Young, Diane Gorsuch and Dorothy Modig, Nan Maner and Jan Barker ended in a three-way tie.

Volleyball competition was keen with thirty girls actively participating. Mary Lou Tobias, captain; Valdean Vannatter, Marcia Malander, Carolyn Corbett, Arlene Weitz, Alice Trunk and Nancy Marker composed the undefeated championship team.

Miss Jean Aschbacher, Miss Juanita Loeptien and Miss Lucille Ilgaudas sponsored this year's club.

Highlighting the girls' winter sports was the basketball league. After a single round robin series of games the Unpredictables ended in a tie with the Thunderbirds. In the playoffs the Unpredictables won. The winning team was composed of Dale Becker, Eileen Burns, Denne Chisholm, Jackie Davidson, Loretta Midyett, Bev McCollough, Jo Rosswick, Nelda Sprague and Arlene Weitz.

Of the seventeen entries in the singles badminton tournament, Mary Lou Tobias and Marcia Malander tied for the championship. Mary and Marcia combined abilities to win the doubles.

## Skiers Race to City Crown

East's ski team again won many honors on the slopes. This year the boys' team, led by Sidney Blandford and Chuck Lewis, won a highly coveted Dartmouth cup.

The cup is presented by the Dartmouth Alumni association of Denver and is a skiing highlight of each year.

The boys' city-wide championship trophy was won for the third successive year; it is now a permanent possession of East. Lou Halsell placed first in both the downhill and the slalom, gaining many points for the team.

Second place was won by the girls' team in the city meet, as Ruth Rahn schussed to victory in the slalom.

Both teams enjoyed an excellent winter of skiing.
